TRADITIONAL PROGRAM

Pennsylvania Judiciary

Group 28623-00, 01, 03, 04

Effective July 1, 2021

Discrimination is Against the Law

The Claims Administrator/Insurer complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. The Claims Administrator/Insurer does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex assigned at birth, gender identity or recorded gender. Furthermore, the Claims Administrator/Insurer will not deny or limit coverage to any health service based on the fact that an individual's sex assigned at birth, gender identity, or recorded gender is different from the one to which such health service is ordinarily available. The Claims Administrator/Insurer will not deny or limit coverage for a specific health service related to gender transition if such denial or limitation results in discriminating against a transgender individual. The Claims Administrator/Insurer:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact the Civil Rights Coordinator.

If you believe that the Claims Administrator/Insurer has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity, you can file a grievance with: Civil Rights Coordinator, P.O. Box 22492, Pittsburgh, PA 15222, Phone: 1-866-286-8295, TTY: 711, Fax: 412-544-2475, email: CivilRightsCoordinator@highmarkhealth.org. You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, the Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at https://ocrportal.hhs.gov/ocr/portal/lobby.jsf, or by mail or phone at:

This Booklet is not a Contract

This booklet does not constitute a contract of benefits and provisions. The complete set of terms of coverage is set forth in the Group Contract issued by Highmark Blue Shield, an Independent Licensee of the Blue Cross Blue Shield Association. This booklet is merely a description of the principal features of your Classic Blue Traditional program.

Non-Assignment

Highmark is authorized by the member to make payments directly to providers furnishing Covered Services provided under the program described in this benefit booklet; however, Highmark reserves the right to make these payments directly to the member. The right of a member to

receive payment for a Covered Service described in this benefits booklet is not assignable, except to the extent required by law, nor may benefits described in this benefit booklet be transferred either before or after Covered Services are rendered. Any (direct or indirect) attempt to accomplish such an assignment shall be null and void. Nothing contained in this benefit booklet shall be construed to make Highmark, the group health plan or the group health plan sponsor liable to any assignee to whom a member may be liable for medical care, treatment, or services.

Introduction to Your Classic Blue Traditional Benefits Program

This booklet provides you with information you need to understand your Highmark Classic Blue Traditional program. We encourage you to take the time to review this information so you understand how your health care program works.

We think you will be very pleased with the freedom and flexibility, the provider choice and the coverage your program provides you.

You can review your Preventive Care Guidelines online at your member website. And, as a Highmark member, you get important extras. Along with 24-hour assistance with any health care question via Blues On Call, your member website connects you to a range of self-service tools that can help you manage your coverage. You can also access programs and services designed to help you make and maintain healthy improvements. And you can access a wide range of care cost and care provider quality tools to assure you spend your health care dollars wisely.

If you have any questions on your Classic Blue Traditional program please call the Member Service toll-free telephone number on the back of your ID card. For TTY/TDD hearing impaired service, please dial 711 and the number on the back of your ID card.

Information for Non-English-Speaking Members

Non-English-speaking members have access to clear benefits information. They can call the toll-free Member Service telephone number on the back of their ID card to be connected to a language services interpreter line. Highmark Member Service representatives are trained to make the connection.

As always, we value you as a member, look forward to providing your coverage, and wish you good health.

How Your Benefits Are Applied

To help you understand your coverage and how it works, here's an explanation of some benefit terms found in your Summary of Benefits and a description of how your benefits are applied. For specific amounts, refer to your Summary of Benefits.

Medical Cost-Sharing Provisions

Cost-sharing is a requirement that you pay part of your expenses for covered services. The terms "deductible" and "coinsurance" describe methods of such payment. You can be asked to pay any applicable coinsurance or deductible amounts at the time of service. Coinsurance and deductible amounts not paid at the time of service must be paid within 60 days of the claim being finalized. If you fail to make payment within 60 days of the finalization date of your claim, you can be held responsible for the difference between the provider's billed charge and Highmark's payment.

Major Medical Covered Services

Benefit Period

The specified period of time during which charges for covered services must be incurred in order to be eligible for payment by Highmark. A charge shall be considered incurred on the date you receive the service or supply for which the charge is made. Refer to the Summary of Benefits for the benefit period under this program.

Coinsurance

The coinsurance is the specific percentage of the plan allowance for covered services that is your responsibility. You can be asked to pay any applicable coinsurance at the time you receive care from a provider. Coinsurance amounts not paid at the time of service must be paid within 60 days of the finalization date of your claim. Refer to the Plan Payment Level in your Summary of Benefits for the percentage amounts paid by the program.

Deductible

The deductible is a specified dollar amount you must pay for covered Major Medical services each benefit period before the program begins to provide payment for benefits. See the Summary of Benefits for the deductible amount. You can be asked to pay any applicable deductible at the time you receive care from a provider. Deductible amounts not paid at the time of service must be paid within 60 days of the finalization date of your claim.

Family Deductible

For a family with several covered dependents, you pay no more than three individual deductibles per family, as specified under family deductible. After each of the three covered persons meets the individual deductible specified in the Summary of Benefits,

the deductible for the entire family is met. If one family member meets the deductible and needs to use benefits, the program would begin to pay for that person's covered services even if the deductible for the entire family had not been met.

Expenses for covered services incurred during the last three months of a benefit period will be credited toward the deductible required in the following benefit period.

This provision will no longer apply effective January 1, 2016.

The deductible does not include any charges for which benefits are excluded in whole or in part under the provisions in the Health Care Management section.

Out-of-Pocket Limit

The out-of-pocket limit refers to the specified dollar amount of coinsurance incurred for covered services in a benefit period. When the specified dollar amount is attained, Highmark begins to pay 100% of all covered expenses. See your Summary of Benefits for the out-of-pocket limit. The out-of-pocket limit does not include or amounts in excess of the plan allowance.

Family Out-of-Pocket Limit

The family out-of-pocket limit refers to the amount of coinsurance incurred by you and/or your covered family members for each of three covered members of your family for covered services received in a benefit period.

The out-of-pocket does not include any charges for which benefits are excluded in whole or in part under the provisions in the Health Care Management section.

Total Maximum Out-of-Pocket

The total maximum out-of-pocket, as mandated by the federal government, refers to the specified dollar amount of deductible and coinsurance incurred for covered services and any qualified medical expenses in a benefit period. When the specified individual dollar amount is attained by you, or the specified family dollar amount is attained by you or your covered family members, Highmark begins to pay 100% of all covered expenses and no additional deductible and coinsurance will be incurred for covered services in that benefit period. See your Summary of Benefits for the total maximum out-of-pocket. The total maximum out-of-pocket does not include amounts in excess of the plan allowance.

This is not a contract. This benefits summary presents plan highlights only. Please refer to the policy/ plan documents, as limitations and exclusions apply. The policy/ plan documents control in the event of a conflict with this benefits summary.

(1) Your group's benefit period is based on a Calendar Year. The Calendar Year is a consecutive 12-month period beginning on January 1, 2022.
(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense.
(3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.
(4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).
(5) Services for the treatment of Autism Spectrum Disorders are covered for eligible members to age 21. After initial evaluation, Applied Behavioral Analysis will be covered as specified above. All other Covered Services for the treatment of Autism Spectrum Disorders will be covered according to the benefit category (e.g. speech therapy, diagnostic services). Treatment for Autism Spectrum Disorders does not reduce visit/day limits.
(6) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.
(7) Highmark Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.

Covered Services - Medical Program

The program provides benefits for the following hospital, medical-surgical and major medical services you receive from an eligible provider.

The benefits in this section will be covered only when and so long as they are determined to be medically necessary and appropriate for the proper treatment of the patient's condition. Please refer to the section headed "Terms You Should Know" and also the section headed "Health Care Management" for specific details. Any benefit limits, deductibles and coinsurance amounts are described in the Summary of Benefits.

Ambulance Services

Ambulance service providing local transportation by means of a specially designed and equipped vehicle used only for transporting the sick and injured:

- from your home, the scene of an accident or medical emergency to a hospital, or skilled nursing facility; or
- between hospitals; or
- between a hospital and a skilled nursing facility;

when such facility is the closest institution that can provide covered services appropriate for your condition. If there is no facility in the local area that can provide covered services appropriate for your condition, then ambulance service means transportation to the closest facility outside the local area that can provide the necessary service.

Transportation and other emergency services provided by an ambulance service will be considered emergency ambulance service if the injury or condition is considered emergency care. Use of an ambulance as transportation to an emergency room of a facility provider for an injury or condition that is not considered emergency care will not be covered as emergency ambulance services. Refer to the Terms You Should Know section for a definition of emergency care services.

Ambulance service includes an emergency medical services (EMS) agency licensed by the state.

Benefits are provided for emergency care services rendered by an ambulance service even when transport is not required or refused by you.

Anesthesia for Non-Covered Dental Procedures (Limited)

Benefits will be provided for general anesthesia and associated hospital services normally related to the administration of general anesthesia which are rendered in

connection with non-covered dental procedures or non-covered oral surgery. Benefits are provided for members age seven or under and for developmentally disabled members when determined by Highmark to be medically necessary and appropriate and when a successful result cannot be expected for treatment under local anesthesia, or when a superior result can be expected from treatment under general anesthesia.

Autism Spectrum Disorders

Benefits are provided to members under 21 years of age for the following:

Diagnostic Assessment of Autism Spectrum Disorders

Medically necessary and appropriate assessments, evaluations or tests performed by a physician, licensed physician assistant, psychologist or certified registered nurse practitioner to diagnose whether an individual has an autism spectrum disorder.

Treatment of Autism Spectrum Disorders

Services must be specified in a treatment plan developed by a physician or psychologist following a comprehensive evaluation or reevaluation performed in a manner consistent with the most recent clinical report or recommendations of the American Academy of Pediatrics. Highmark may review a treatment plan for autism spectrum disorders once every six months, or as agreed upon between Highmark and the physician or psychologist developing the treatment plan.

Treatment may include the following medically necessary and appropriate services:

Pharmacy care

Pharmacy care for autism spectrum disorders includes any assessment, evaluation or test prescribed or ordered by a physician, licensed physician assistant or certified registered nurse practitioner to determine the need or effectiveness of a prescription drug approved by the Food and Drug Administration (FDA) and designated by Highmark for the treatment of autism spectrum disorders.

Psychiatric and psychological care

Direct or consultative services provided by a psychologist or by a physician who specializes in psychiatry.

Rehabilitative care

Professional services and treatment programs, including Applied Behavioral Analysis, provided by an autism service provider to produce socially significant improvements in human behavior or to prevent loss of attained skill or function.

Therapeutic care

Services that are provided by a speech language pathologist, occupational therapist or physical therapist.

Clinic Visits
Benefits will be provided for routine outpatient medical treatment or care at a facility provider. Such care must be received in the outpatient clinic portion of the hospital rather than the emergency room. The charge must be billed by the facility provider.

Dental Services Related to Accidental Injury
Dental services rendered by a physician or dentist which are required as a result of accidental injury to the jaw, sound natural teeth, mouth or face. Follow-up services, if any, that are provided after the initial treatment to the jaw, sound natural teeth, mouth or face are not covered. Injury caused by chewing or biting will not be considered an accidental injury.

Diabetes Treatment
Coverage is provided for the following when required in connection with the treatment of diabetes and when prescribed by a physician legally authorized to prescribe such items under the law:

Equipment and Supplies
Blood glucose monitors, monitor supplies, injection aids, syringes and insulin infusion devices.

*Outpatient Diabetes Education**
When your physician certifies that you require diabetes education as an outpatient, coverage is provided for the following when rendered through an outpatient diabetes education program:

- Visits medically necessary and appropriate upon the diagnosis of diabetes
- Subsequent visits under circumstances whereby your physician:
  - identifies or diagnoses a significant change in your symptoms or conditions that necessitates changes in your self-management; or
  - identifies, as medically necessary and appropriate, a new medication or therapeutic process relating to your treatment and/or management of diabetes

Diagnostic Services
Benefits will be provided for the following covered services when ordered by a professional provider:

- Diagnostic X-ray consisting of radiology, magnetic resonance imaging (MRI), ultrasound and nuclear medicine
- Diagnostic pathology, consisting of laboratory and pathology tests

- Diagnostic medical procedures consisting of ECG, EEG, and other electronic diagnostic medical procedures and physiological medical testing approved by Highmark
- Allergy testing, consisting of percutaneous, intracutaneous and patch tests

Durable Medical Equipment

The rental (but not to exceed the total cost of purchase) or, at the option of Highmark, the purchase, adjustment, repairs and replacement of durable medical equipment when prescribed by a professional provider within the scope of their license and required for therapeutic use.

Emergency Care

Medical care, services and supplies for the outpatient emergency treatment of bodily injuries resulting from an accident or medical condition. Also included is a medical screening examination and ancillary services necessary to evaluate such injury or emergency medical condition and further medical examination and treatment as required to stabilize the patient.

Refer to the Terms You Should Know section for a definition of emergency care services. Treatment for any occupational injury for which benefits are provided under any worker's compensation law or any similar occupational disease law is not covered.

Enteral Foods

Enteral foods is a liquid source of nutrition equivalent to a prescription drug that is administered orally or enterally and which may contain some or all nutrients necessary to meet minimum daily nutritional requirements. Enteral foods are intended for the specific dietary management of a disease or condition for which distinctive nutritional requirements are identified through medical evaluation.

Coverage is provided for enteral foods when administered on an outpatient basis for:

- amino acid-based elemental medical formulae ordered by a physician for infants and children for food protein allergies, food protein-induced enterocolitis syndrome, eosinophilic disorders and short bowel syndrome; and
- nutritional supplements administered under the direction of a physician for the therapeutic treatment of phenylketonuria, branched-chain ketonuria, galactosemia and homocystinuria.

Coverage for enteral foods excludes the following:

- Blenderized food, baby food, or regular shelf food
- Milk or soy-based infant formulae with intact proteins

- Any formulae, when used for the convenience of you or your family members
- Nutritional supplements or any other substance utilized for the sole purpose of weight loss or gain, or for caloric supplementation, limitation or maintenance
- Semisynthetic intact protein/protein isolates, natural intact protein/protein isolates, and intact protein/protein isolates, when provided orally

This coverage does not include normal food products used in the dietary management of the disorders included above.

Hearing Care Services

Benefits include coverage for hearing aids, hearing aid exams or routine hearing screenings, including fitting, repair and replacement of hearing aids.

Home Health Care Services

Services rendered by a home health care agency or a hospital program for home health care for which benefits are available as follows:

- Skilled nursing services of an RN or LPN, excluding private duty nursing services
- Physical medicine, occupational therapy and speech therapy
- Medical and surgical supplies provided by the home health care agency or hospital program for home health care
- Oxygen and its administration
- Medical social service consultations
- Health aide services to an individual who is receiving covered nursing or therapy and rehabilitation services

You must be essentially confined at home and home health care services must be rendered for treatment of the same illness or injury for which you were in the facility provider.

No home health care benefits will be provided for:

- dietitian services;
- homemaker services;
- maintenance therapy;
- dialysis treatment;
- custodial care;
- food or home-delivered meals;

Hospice Care Services

Hospice care services will be provided to members with a life expectancy of 180 days or less, as certified by a physician. Services rendered by a home health care agency or a hospital program for hospice care for which benefits are available as follows:

- Skilled nursing services of an RN or LPN, excluding private duty nursing services
- Physical medicine, occupational therapy and speech therapy
- Medical and surgical supplies provided by the home health care agency or hospital program for hospice care
- Oxygen and its administration
- Medical social service consultations
- Health aide services to a member who is receiving covered nursing or therapy and rehabilitation services
- Respite care
- Family counseling related to the member's terminal condition
- Dietitian services
- Inpatient room, board and general nursing service

No hospice care benefits will be provided for:

- dialysis treatment;
- custodial care;
- medical care rendered by the patient's private physician;
- volunteer services;
- pastoral services;
- homemaker services;
- food or home delivered meals; and
- private duty nursing services.

Hospital Services-Inpatient

Bed and Board

Bed, board and general nursing services in a facility provider when you occupy:

- a room with two or more beds; or
- a private room (the private room allowance is the hospital's average charge for semiprivate rooms) ; or
- a bed in a special care unit -- a designated unit which has concentrated all facilities, equipment, and supportive services for the provision of an intensive level of care for critically ill patients.

Ancillary Services

Hospital services and supplies including, but not restricted to:

- use of operating, delivery and treatment rooms and equipment;

- drugs and medicines provided to you when you are an inpatient in a facility provider;
- whole blood, administration of blood, blood processing, and blood derivatives;
- anesthesia, anesthesia supplies and services rendered in a facility provider by an employee of the facility provider, and the administration of anesthesia ordered by the attending professional provider and rendered by a professional provider other than the surgeon or assistant at surgery;
- medical and surgical dressings, supplies, casts, and splints;
- diagnostic services; or
- therapy and rehabilitation services.

Hospital Services-Outpatient

Emergency Care

Services and supplies for the outpatient emergency treatment of bodily injuries resulting from an accident or medical condition. Also included is a medical screening examination and ancillary services necessary to evaluate such injury or emergency medical condition and further medical examination and treatment as required to stabilize the patient.

Refer to the Terms You Should Know section for a definition of emergency care services. Treatment for any occupational injury for which benefits are provided under any worker's compensation law or any similar occupational disease law is not covered.

Pre-Admission Testing

Tests and studies required in connection with your admission rendered or accepted by a hospital on an outpatient basis prior to a scheduled admission to the hospital as an inpatient.

Surgery

Hospital services and supplies for outpatient surgery including removal of sutures, anesthesia, anesthesia supplies and services rendered by an employee of the facility provider other than the surgeon or assistant at surgery.

Maternity Services

Hospital and surgical/medical services rendered by a provider for:

Normal Pregnancy

Normal pregnancy includes any condition usually associated with the management of a difficult pregnancy but is not considered a complication of pregnancy.

Complications of Pregnancy
Physical effects directly caused by pregnancy but which are not considered from a medical viewpoint to be the effect of normal pregnancy, including conditions related to ectopic pregnancy or those that require cesarean section.

Nursery Care
Care which is necessary for the treatment of medically diagnosed congenital defects, birth abnormalities, prematurity and routine nursery care. Benefits will continue for a maximum of 31 days. To be covered as a dependent beyond the 31-day period, the newborn child must be enrolled as a dependent under this program within such period. Refer to the General Information section for further eligibility information.

Maternity Home Health Care Visit
Benefits for one maternity home health care visit will be provided at your home within 48 hours of discharge when the discharge from a facility provider occurs prior to: (a) 48 hours of inpatient care following a normal vaginal delivery; or (b) 96 hours of inpatient care following a cesarean delivery. This visit shall be made by a provider whose scope of practice includes postpartum care. The visit includes parent education, assistance and training in breast and bottle feeding, infant screening, clinical tests, and the performance of any necessary maternal and neonatal physical assessments. The visit may, at the mother's sole discretion, occur at the office of the provider. The visit is subject to all the terms of this program.

Under state law, entities like Highmark, which issue health insurance to your employer or union, are generally prohibited from restricting benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, state law does not prohibit the mother's or newborn's attending provider from discharging the mother or newborn earlier than 48 hours (or 96 hours as applicable) if the mother and newborn meet the medical criteria for a safe discharge contained in guidelines which recognize treatment standards used to determine the appropriate length of stay; including those of the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists. In any case, health insurance issuers like Highmark can only require that a provider obtain authorization for prescribing an inpatient hospital stay that exceeds 48 hours (or 96 hours).

If you are pregnant, now is the time to enroll in the Baby BluePrints® Maternity Education and Support Program offered by Highmark. Please refer to the Member Services section of this booklet for more information.

Medical Services

Inpatient Medical Services

Medical care by a professional provider when you are an inpatient for a condition not related to surgery, maternity services, radiation therapy or mental illness, except as specifically provided.

Concurrent Care
Services rendered to an inpatient at the request of the attending professional provider by another professional provider who is not in charge of the case but whose particular skills are required for the treatment of complicated conditions. This does not include observation or reassurance, stand-by services, routine pre-operative physical examinations or medical care routinely performed in the pre- or post-operative or pre-or post-natal periods or medical care required by hospital rules and regulations.

Consultation
Consultation services rendered to an inpatient by another professional provider at the request of the attending professional provider. Consultation does not include staff consultations which are required by hospital rules and regulations.

Inpatient Medical Care Visits
Benefits are provided for inpatient medical care visits.

Intensive Medical Care
Medical care rendered to you when your condition requires a professional provider's constant attendance and treatment for a prolonged period of time

Routine Newborn Care
Professional provider visits to examine the newborn infant while the mother is an inpatient.

Inpatient medical care is renewed when 90 days have elapsed between discharge from and subsequent admission to a hospital or skilled nursing facility.

Outpatient Medical Care Services (Office Visits)

Medical care visits, telemedicine services and consultations rendered by a professional provider for the examination, diagnosis and treatment of an injury or illness to you when you are an outpatient for a condition not related to surgery, pregnancy or mental illness, except as specifically provided.

Please note that as a Highmark member, you enjoy many convenient options for where you can receive outpatient care. You can physically go to one of the following providers:

- Physician's office, including those located in an outpatient hospital/hospital satellite setting
- Urgent Care Center
- Retail site, such as in a pharmacy or other retail store

Or you can interact with a professional provider as follows:

- A virtual visit between you and a physician or retail clinic via an audio and video telecommunications system
- A virtual visit via an audio and video telecommunications system for the treatment of mental illness or substance abuse
- A virtual visit between you and a specialist via the internet or similar electronic communications for the treatment of skin conditions or diseases
- A specialist virtual visit between you and a specialist at a remote location via interactive audio and video telecommunications. Benefits are provided for a specialist virtual visit from any location, such as your home, office or another mobile location, or if you travel to a provider based location referred to as a "provider originating site". If you communicate with the specialist from a provider originating site, you will be responsible for the specialist virtual visit provider originating site fee. Benefits will not be provided for a specialist virtual visit if the visit is related to the treatment of mental illness or substance abuse.

Different types of providers and their locations may require different payment amounts. The specific amounts you are responsible for paying depend on your particular Highmark benefits.

Mental Health Services

Inpatient Facility Services

Hospital services are provided for the inpatient treatment of mental illness by a facility provider. Inpatient facility services must be provided twenty-four hours a day, seven days a week by or under the direction of a psychiatrist, a psychiatric nurse practitioner or a psychologist when legally authorized by the state. Inpatient facility services are recommended for patients who are an acute danger to themselves or others or who are unable to provide required self-care and lack available support.

Inpatient Medical Services

Covered inpatient medical services provided by a professional provider:

- Individual psychotherapy
- Group psychotherapy
- Psychological testing
- Family counseling

Counseling with family members to assist in your diagnosis and treatment

- Convulsive therapy treatment; and

  Electroshock treatment or convulsive drug therapy including anesthesia when administered concurrently with the treatment by the same professional provider

- Medication management

Partial Hospitalization Program

Benefits are only available for mental health care services provided on a partial hospitalization basis when received through a Partial Hospitalization Program. A mental health care service provided on a partial hospitalization basis will be deemed an outpatient care visit and is subject to any outpatient care cost-sharing amounts.

Outpatient Mental Health Care Services

Inpatient facility service and inpatient medical benefits are also available when provided for the outpatient treatment of mental illness by a facility provider, a professional provider or a professional other provider. Benefits are also provided for mental health care services received through an Intensive Outpatient Program. Hospital services and supplies as specified in the Hospital Services section will be provided to an outpatient by a facility provider.

Serious Mental Illness Care Services

Serious mental illnesses include schizophrenia, schizoaffective disorder, major depressive disorder, bipolar disorder, obsessive-compulsive disorder, anorexia nervosa, bulimia nervosa and delusional disorder.

Coverage is provided for inpatient care and outpatient care for the treatment of serious mental illness. A serious mental illness service provided on a partial hospitalization basis will be deemed to be an outpatient care visit subject to any outpatient cost-sharing amounts.

Orthotic Devices

Purchase, fitting, necessary adjustment, repairs and replacement of a rigid or semi-rigid supportive device which restricts or eliminates motion of a weak or diseased body part.

However, replacements are covered only in the case of dependent children and only when Highmark determines that such replacement is medically necessary and appropriate.

Prescription Drugs

Benefits will be provided for drugs and medicines requiring a professional provider's prescription and dispensed by a licensed pharmacist.

Preventive Services

Preventive benefits are offered in accordance with a predefined schedule based on age, sex and certain risk factors. Highmark periodically reviews the schedule of covered services based on the requirements of the Patient Protection Affordable Care Act of 2010, and advice from organizations such as the American Academy of Pediatrics, the U.S. Preventive Services Task Force, the Blue Cross Blue Shield Association and medical consultants. Therefore, the frequency and eligibility of services is subject to change. Benefits include periodic physical examinations, well child visits, immunizations and selected diagnostic tests. For a current schedule of covered services, log onto the member Web site, www.highmarkblueshield.com, or call Member Service at the toll-free telephone number listed on the back of your ID card.

Adult and Pediatric Care

Benefits are provided for routine physical examinations, regardless of medical necessity and appropriateness, including a complete medical history for adults, and other items and services.

Well-woman benefits are provided for items and services including, but not limited to, an initial physical examination to confirm pregnancy, screening for gestational diabetes and breastfeeding support and counseling.

Adult Immunizations

Benefits are provided for adult immunizations, including the immunizing agent, when required for the prevention of disease.

Colorectal Cancer Screenings

Benefits are provided for the following tests or procedures when ordered by a physician for the purpose of early detection of colorectal cancer:

- Diagnostic pathology and laboratory screening services such as a fecal-occult blood or fecal immunochemical test
- Diagnostic x-ray screening services such as barium enema
- Surgical screening services such as flexible sigmoidoscopy and colonoscopy and hospital services related to such surgical screening services
- Such other diagnostic pathology and laboratory, diagnostic x-ray and surgical screening tests and diagnostic medical screening services consistent with approved medical standards and practices for the detection of colon cancer

Benefits are provided for members 50 years of age or older as follows, or more frequently and regardless of age when prescribed by a physician:

- An annual fecal-occult blood test or fecal immunochemical test
- A sigmoidoscopy every five years
- A screening barium enema or test consistent with approved medical standards and practices to detect colon cancer every five years
- A colonoscopy every 10 years

If you are determined to be at high or increased risk, regardless of age, benefits are provided for a colonoscopy or any other combination of covered services related to colorectal cancer screening when prescribed by a physician and in accordance with the American Cancer Society guidelines on screening for colorectal cancer as of January 1, 2008.

Colorectal cancer screening services which are otherwise not described herein and are prescribed by a physician for a symptomatic member are not considered preventive care services. The payment for these services will be consistent with similar medically necessary and appropriate covered services.

Diabetes Prevention Program

Benefits are provided if you meet certain medical criteria of having a high risk of developing type 2 diabetes and when you are enrolled in a diabetes prevention program that is delivered by a diabetes prevention provider. Coverage is limited to one enrollment in a diabetes prevention program per year, regardless of whether you complete the diabetes prevention program.

Diagnostic Services and Procedures

Benefits are provided for routine screening tests and procedures, regardless of medical necessity and appropriateness.

Mammographic Screening

Benefits will be provided for:

- an annual routine mammographic screening starting at 40 years of age or older pursuant to the 2002 recommendations by the United States Preventive Services Task Force; and
- mammographic screenings for all members regardless of age when prescribed by a physician.

Benefits for mammographic screening are payable only if performed by a mammography service provider who is properly certified by the Pennsylvania Department of Health in accordance with the Mammography Quality Assurance Act of 1992.

Pediatric Immunizations
Benefits are provided to members under 21 years of age for those pediatric immunizations, including the immunizing agents, which, as determined by the Pennsylvania Department of Health, conform with the standards of the Advisory Committee on Immunization Practices of the Center for Disease Control, and the U.S. Department of Health and Human Services.

Routine Gynecological Examination and Papanicolaou Smear
Benefits are provided for one routine gynecological examination, including a pelvic examination and clinical breast examination and one routine Papanicolaou smear per calendar year.

Tobacco Use, Counseling and Interventions
Benefits are provided for screenings for tobacco use and, for those who use tobacco products, two tobacco cessation attempts per year. A tobacco cessation attempt includes four tobacco cessation counseling sessions and covered medications.

Private Duty Nursing Services
Private duty nursing services of an actively practicing RN or a LPN when ordered by a physician, providing such nurse does not ordinarily reside in your home or is not a member of your immediate family.

- If you are an inpatient in a facility provider, only when Highmark determines that the nursing services required are of a nature or degree of complexity or quantity that could not be provided by the regular nursing staff.
- If you are at home, only when Highmark determines that the nursing services require the skills of a Registered Nurse or of a Licensed Practical Nurse.

Prosthetic Appliances
Purchase, fitting, necessary adjustments, repairs, and replacements of prosthetic devices and supplies which replace all or part of an absent body organ (including contiguous tissue) or replace all or part of the function of a permanently inoperative or malfunctioning body organ (excluding dental appliances and the replacement of cataract lenses, except when new cataract lenses are needed because of prescription change).

Skilled Nursing Facility Services

Services rendered in a skilled nursing facility to the same extent benefits are available to an inpatient of a hospital. Two days of skilled nursing facility care are available for each unused day of the hospital benefit period. No benefits are payable:

- after you have reached the maximum level of recovery possible for your particular condition and no longer require definitive treatment other than routine supportive care;
- when confinement in a skilled nursing facility is intended solely to assist you with the activities of daily living or to provide an institutional environment for your convenience;
- for the treatment of alcohol abuse, drug abuse or mental illness.

Spinal Manipulations

Benefits will be provided for spinal manipulations for the detection and correction by manual or mechanical means of structural imbalance or subluxation resulting from or related to distortion, misalignment, or subluxation of or in the vertebral column.

Substance Abuse Services

Benefits are provided for detoxification services, individual and group counseling and psychotherapy, psychological testing, and family counseling for the treatment of substance abuse when rendered by a facility provider or professional provider and include the following:

- Detoxification services rendered;
  - on an inpatient basis in a hospital or substance abuse treatment facility; or
  - on an outpatient basis
- Substance abuse treatment facility services for non-hospital inpatient residential treatment and rehabilitation services. Residential treatment and rehabilitation services include medically monitored high intensity inpatient services with twenty-four hour nursing care and physician availibility and medically managed intensive inpatient services with twenty-four hour nursing care and daily physician oversight.
- Outpatient services rendered in a hospital, substance abuse treatment facility, outpatient substance abuse treatment facility, or through an Intensive Outpatient Program or Partial Hospitalization Program for rehabilitation therapy. Benefits are also provided for substance abuse services through an Opioid Treatment Program or Office Based Opioid Treatment Program.

Surgical Services

Surgery

- Surgery performed by a professional provider. Separate payment will not be made for pre- and post-operative services.
- If more than one surgical procedure is performed by the same professional provider during the same operation, the total benefits payable will be the amount payable for the highest paying procedure, and no allowance shall be made for additional procedures except where Highmark deems that an additional allowance is warranted.

Special Surgery

- **Oral Surgery**
  Benefits are provided for the following limited oral surgical procedures determined to be medically necessary and appropriate:

  - Extraction of partial or full bony impactions
  - Extraction of teeth other than impacted teeth or other oral surgical procedures provided inpatient hospitalization or outpatient care is medically necessary and appropriate to safeguard the health of the patient
  - Frenectomy, frenulectomy, frenotomy
  - Treatment for tumors and cysts requiring pathological examination of the jaw, cheeks, lips, tongue, roof and floor of the mouth

- **Sterilization**
  Sterilization and procedures to reverse sterilization regardless of their medical necessity and appropriateness.

- **Cleft Palate Surgery**
  Benefits are provided for orthodontic treatment of a congenital cleft palate involving the maxillary arch, performed in conjunction with bone graft surgery to correct the bony deficits associated with extremely wide clefts affecting the alveolus.

- **Mastectomy and Breast Cancer Reconstruction**

  Benefits are provided for a mastectomy performed on an inpatient or outpatient basis and for the following:

  - All stages of reconstruction of the breast on which the mastectomy has been performed
  - Surgery and reconstruction of the other breast to produce a symmetrical appearance
  - Prostheses; and
  - Treatment of physical complications of mastectomy, including lymphedema

Benefits are also provided for one home health care visit, as determined by your physician, within 48 hours after discharge, if such discharge occurred within 48 hours after an admission for a mastectomy.

Assistant at Surgery

Services of a physician who actively assists the operating surgeon in the performance of covered surgery. Your condition or the type of surgery must require the active assistance of an assistant surgeon. Surgical assistance is not covered when performed by a professional provider who himself performs and bills for another surgical procedure during the same operative session.

Anesthesia

Administration of anesthesia in connection with the performance of covered services and rendered by a professional provider other than the surgeon, assistant surgeon or attending professional provider.

Benefits are also provided for the administration of anesthesia for oral surgical procedures in an outpatient setting when ordered and administered by the attending professional provider.

Second Surgical Opinion

- **Services**
  A consulting opinion and directly related diagnostic services to confirm the need for recommended elective surgery.
- **Specifications**
  - The second opinion consultant must not be the physician who first recommended elective surgery.
  - Elective surgery is covered surgery that may be deferred and is not an emergency.
  - A second surgical opinion is your choice.
  - If the first opinion for elective surgery and the second opinion conflict, then a third opinion and directly related diagnostic services are covered services.
  - If the consulting opinion is against elective surgery and you decide to have the elective surgery, the surgery is a covered services. In such instances, you will be eligible for a maximum of two such consultations involving the elective surgical procedure in question, but limited to one consultation per consultant.

Therapy and Rehabilitation Services

Benefits will be provided for the following covered services only when such services are ordered by a physician or professional provider:

- Radiation therapy

- Chemotherapy
- Dialysis treatment
- Respiratory therapy
- Physical medicine
- Occupational therapy
- Speech therapy
- Infusion therapy when performed by a facility provider and for self-administration if the components are furnished by and billed by a facility provider
- Cardiac rehabilitation

Transplant Services

Subject to the provisions of this program, benefits will be provided for covered services furnished by a hospital which are directly and specifically related to transplantation of organs, bones or tissue.

If a human organ, bone or tissue transplant is provided from a living donor to a human transplant recipient:

- when both the recipient and the donor are members, each is entitled to the benefits of this program;
- when only the recipient is a member, both the donor and the recipient are entitled to the benefits of this program subject to the following additional limitations:
  - the donor benefits are limited to only those not provided or available to the donor from any other source. This includes, but is not limited to, other insurance coverage, other Highmark coverage, or any government program; and
  - benefits provided to the donor will be charged against the recipient's coverage under this program;
- when only the donor is a member, the donor is entitled to the benefits of the program, subject to the following additional limitations:
  - the benefits are limited to only those not provided or available to the donor from any other source in accordance with the terms of this program, and
  - no benefits will be provided to the non-member transplant recipient;
- if any organ or tissue is sold rather than donated to the member recipient, no benefits will be payable for the purchase price of such organ or tissue; however, other costs related to evaluation and procurement are covered up to the member recipient's program limit.

Visiting Nurse Services

Benefits will be provided for covered services prescribed by your attending physician prior to your discharge from an inpatient stay in a facility provider. Benefits will be provided by a registered nurse who is employed by or working with a visiting nurse society or an association approved by Highmark, and providing visiting nurse services.

Such services include skilled nursing services of an RN, under the direction of a physician, excluding private duty nursing services.

Workers' Compensation	• For any illness or bodily injury which occurs in the course of employment if benefits or compensation are available, in whole or in part, under the provisions of any federal, state, or local government's workers' compensation, occupational disease, or similar type legislation. This exclusion applies whether or not you file a claim for said benefits or compensation;

How Your Program Works

Provider/Supplier Reimbursement and Member Liability

Highmark uses the Plan Allowance to calculate the benefit payable and the financial liability of the member for Medically Necessary and Appropriate Services covered under this plan. Refer to the Terms You Should Know section for the definition of Plan Allowance.

Highmark's payment is determined by first subtracting any deductible and/or copayment liability from the Plan Allowance. The coinsurance percentage set forth in the Summary of Benefits is then applied to that amount. This amount represents Highmark's payment. Any remaining coinsurance amount is the member's responsibility. The member's total cost-sharing liability is the sum of the coinsurance plus any deductible and/or copayment obligations.

When a member receives covered services from a non-participating provider, in addition to the member's cost-sharing liability described above, the member is responsible for the difference between Highmark's payment and the provider's billed charge. If a member receives services which are not covered under this plan, the member is responsible for all charges associated with those services.

Participating and Non-Participating Provider Reimbursement

The benefits for covered services rendered by a participating provider which are regularly included in the charges billed by and payable to such provider, are as specified in the Summary of Benefits section.

The benefits for covered services rendered by a non-participating provider which are regularly included in the charges billed by and payable to such non-participating provider are as follows:

1. When rendered by a professional provider that is not participating with Highmark the benefit amount is the same as for a participating provider, i.e., Highmark's allowance for a professional provider that is not participating with Highmark will be the same as the plan allowance established for a participating professional provider.
2. When rendered by a hospital or facility other provider that is not participating with Highmark the benefit amount will be an indemnity allowance which at all times will be subject to the determination of Highmark.

   In the event covered services are provided by a non-participating provider, Highmark reserves the right to make payment to the member. Furthermore,

when covered services are provided by a non-participating provider, you are responsible for the difference between Highmark's payment and the provider's billed charge. If you receive services which are not covered under this plan, you shall be responsible for all charges associated with those services.

3. When Medicare provides primary coverage and the services rendered by a professional provider or professional other provider are payable under Medicare, Highmark will reimburse the professional provider or professional other provider as follows:

   a. Medicare Participating Providers

      i. When you have Medicare supplemental insurance coverage, no benefits will be paid by Highmark.

      ii. When you do not have Medicare supplemental insurance coverage, Highmark will reimburse the Medicare participating provider 20% of the Medicare reasonable charge. A Medicare participating provider will accept this amount and its Medicare reimbursement as payment in full.

   b. Medicare Non-Participating Providers

      i. When you have Medicare supplemental insurance coverage, no benefits will be paid by Highmark

      ii. When you do not have Medical supplemental insurance coverage, Highmark will reimburse the Medicare non-participating provider 20% of the Medicare reasonable charge.

   c. Medicare Opt-Out Providers

      Highmark will make no reimbursement to the Medicare Opt-out provider, except in cases where the Medicare Opt-out provider renders emergency or urgent care services, the medicare beneficiary has not executed a private contract with that provider and you do not have Medicare supplemental insurance coverage.

      In such situations, Highmark will reimburse the Medicare Opt-out provider 20% of the Medicare reasonable charge.

Inter-Plan Arrangements

Out-of-Area Services

Highmark has a variety of relationships with other Blue Cross and/or Blue Shield licensees referred to generally as "inter-plan arrangements." These inter-plan arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association. Whenever members access health care services outside the geographic area served by Highmark Inc. within Pennsylvania, the claim for those

services may be processed through one of these inter-plan arrangements, as described generally below.

Typically, when accessing care outside the Highmark geographic area within Pennsylvania, members obtain care from providers that have a contractual agreement ("participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, members may obtain care from providers in the Host Blue geographic area that do not have a contractual agreement ("non-participating providers") with the Host Blue. Highmark remains responsible for fulfilling our contractual obligations to you. Highmark's payment practices in both instances are described below.

BlueCard® Program

The BlueCard® Program is an inter-plan arrangement. Under this arrangement, when members access covered services outside the Highmark geographic area within Pennsylvania, the Host Blue will be responsible for contracting and handling all interactions with its participating health care providers. The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method per Claim

Unless subject to a fixed dollar copayment, the calculation of the member liability on claims for covered services processed through the BlueCard Program will be based on the lower of the participating provider's billed charges for covered services or the negotiated price made available to Highmark by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's health care provider contracts. The negotiated price made available to Highmark by the Host Blue may be represented by one of the following:

- an actual price - An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases, or
- an estimated price - An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives, or
- an average price - An average price is a percentage of billed charges for covered services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its providers or a similar classification of its providers and other claim- and non-claim-related transactions.

Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual price, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices, (ie, prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to providers or refunds received or anticipated to be received from providers). However, the BlueCard Program requires that the amount paid by the member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by Highmark in determining the member's premiums.

Special Cases: Value-Based Programs

Highmark has included a factor for bulk distributions from Host Blues in your premium for Value-Based Programs when applicable under your program. Additional information is available upon request.

Return of Overpayments

Recoveries of overpayments from a Host Blue or its participating and non-participating providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, provider/hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to Highmark, they will be credited to your account. In some cases, the Host Blue will engage a third party to assist in identification or collection of overpayments. The fees of such a third party may be charged to you as a percentage of the recovery.

Inter-Plan Programs: Federal State Taxes/Surcharges/Fees

In some instances, federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, Highmark will include any such surcharge, tax or other fee in determining your premium.

Non-Participating Providers Outside of the Highmark Geographic Area within Pennsylvania

Member Liability Calculation

When covered services are provided outside of the Highmark geographic area within Pennsylvania by non-participating providers, the amount(s) a member pays for such services will generally be based on either the Host Blue's non-participating provider local payment or the pricing arrangements required by applicable law. In these

situations, the member may be responsible for the difference between the amount that the non-participating provider bills and the payment Highmark will make for the covered services as set forth in this paragraph. Payments for emergency services rendered by non-participating providers will be governed by applicable federal and state law.

Exceptions

In some exception cases, Highmark may pay claims from non-participating providers outside of the Highmark geographic area within Pennsylvania based on the provider's billed charge. This may occur in situations where a member did not have reasonable access to the participating provider, as determined by Highmark in Highmark's sole and absolute discretion or by applicable law. In other exception cases, Highmark may pay such claims based on the payment Highmark would make if Highmark were paying a non-participating provider for the same covered service inside the plan service area as described elsewhere in this document. This may occur where the Host Blue's corresponding payment would be more than the plan in-service area non-participating provider payment. Highmark may choose to negotiate a payment with such a provider on an exception basis.

Unless otherwise stated, in any of these exception situations, the member may be responsible for the difference between the amount that the non-participating provider bills and payment Highmark will make for the covered services as set forth in this paragraph.

Blue Cross Blue Shield Global® Core Program

If members are outside the United States (hereinafter "BlueCard service area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing covered services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists members with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when members receive care from providers outside the BlueCard service area, they will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

Inpatient Services

In most cases, if members contact the Blue Cross Blue Shield Global Core service center ("service center") for assistance, hospitals will not require members to pay for inpatient covered services, except for their cost-sharing amounts. In such cases, a Blue Cross Blue Shield Global Core contracting hospital will submit member claims to the service center to initiate claims processing. However, if the member paid in full at the

time of service, the member must submit a claim to obtain reimbursement for covered services. **Members must contact Highmark to obtain precertification or preauthorization for non-emergency inpatient services**.

Outpatient Services

Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for covered services.

Submitting a Blue Cross Blue Shield Global Core Claim

When members pay for covered services outside the BlueCard service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, members should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the provider's itemized bill(s) to the service center address on the form to initiate claims processing. The claim form is available from Highmark, the service center or online at www.bcbsglobalcore.com. If members need assistance with their claim submissions, they should call the service center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

Participating Providers

Participating providers have a contract with Highmark pertaining to payment for covered services and agree to accept Highmark's allowance as full payment for covered services.

Non-Participating Providers

Some providers do not have an agreement with Highmark and do not accept Highmark's allowance as payment-in-full.

Health Care Management

Medical Management

Your benefits are subject to review by Highmark, or its designated agent, as part of its health care management program. This program is to help ensure that you receive:

- care that is medically necessary and appropriate; and
- health care services in a setting which best meets your individual treatment needs.

Highmark only pays for services which it determines to be medically necessary and appropriate. However, not all medically necessary and appropriate services are covered under this program.

In the event of an inpatient admission following your receipt of emergency care services, you, your provider or a family member must notify Highmark within forty-eight (48) hours of the admission, or as soon as reasonably possible. Once you are stabilized Highmark reserves the right to transfer your care to a participating provider.

Participating Providers

When you use a participating provider, ***the provider will contact Highmark*** when authorization for your care is required.

Non-Participating Providers

When you use a non-participating provider, ***you are responsible for contacting Highmark*** for any required authorizations. Your call to Highmark prior to receipt of care from a non-participating provider will help you know what your financial responsibility may be. You should call 7 to 10 days prior to your received services. For emergency or maternity-related admissions, call Highmark within 48 hours of your admission, or as soon as reasonably possible. You can contact Highmark via the toll-free Member Service number on the back of your ID card.

If you do not call to certify your admission to an out-of-network facility provider, Highmark will review your care after services are received to determine if it was medically necessary and appropriate. If the admission is determined ***not*** to be medically necessary and appropriate, you will be responsible for all costs not covered by your program.

IMPORTANT: Non-participating providers are not obligated to contact Highmark or to abide by any determination of medical necessity or appropriateness rendered by Highmark. You may, therefore, receive services which are not medically necessary and

appropriate for which you will be responsible. Please contact Highmark to avoid unnecessary out-of-pocket costs.

Precertification

Precertification review is conducted by Highmark or its designated agent to determine whether a planned (scheduled admission, outpatient surgery procedure, home care) or unplanned (emergency or maternity-related admission) service request is medically necessary and appropriate and whether the requested treatment setting is the most appropriate for your care.

Precertification is required for the following inpatient services:

* Hospital admissions
* Inpatient rehabilitation admissions
* Substance abuse
* Psychiatric treatment
* Skilled nursing facility admissions

Depending on your benefit program, precertification may be required for the following services:

* Home health services
* Hospice services
* Outpatient surgery

Continued Stay Review

While you or your covered dependent are in a facility where continued stay is required as an inpatient, Highmark will be in contact with facility personnel familiar with your case to make certain that continued hospitalization is appropriate. Determination of the need for continued inpatient coverage will be made in consultation with your physician(s). Either Highmark or its designated agent, the facility or the provider will notify the patient if the inpatient stay is determined to be no longer medically necessary and appropriate. If you or your covered dependent elect to remain in the facility after such notification, no further benefits will be provided for the remainder of the stay.

Discharge Planning

Discharge planning is a process that begins prior to your scheduled hospital admission. Working with you, your family, your attending physician(s) and hospital staff, Highmark or designated agent personnel will help plan for and coordinate your

discharge to ensure that any continued care is delivered in the most medically appropriate and cost-effective setting.

Case Management

Case Management is a voluntary program in which a case manager, with input from you and your health care providers, assists when you are facing and/or recovering from a hospital admission, dealing with multiple medical problems or facing catastrophic needs. Highmark case managers can provide educational support, assist in coordinating needed health care services, put you in touch with community resources, assist in addressing obstacles to your recovery such as benefit and caregiver issues and answer your questions.

Individual Case Management

Highmark shall provide such alternative benefits services, in its sole discretion, only when, and for so long as, it determines that the procedures/services are medically necessary and appropriate, cost effective, and that the total benefits paid for such procedures/services do not exceed the total benefits to which you would otherwise be entitled to.

Highmark, in its sole discretion, reserves the right to limit access and/or modify benefit(s), regardless of the disease or condition, when Highmark identifies utilization patterns that could potentially result in harm to you or the public.

You can call and request case management services if you feel you need it by contacting Member Services at the telephone number listed on the back of your ID card.

General Information

Who is Eligible for Coverage

You may enroll your:

- Spouse under a legally valid existing marriage
- Children under 26 years of age, unless otherwise extended pursuant to applicable state or federal law, including:
  - Newborn children
  - Stepchildren
  - Children legally placed for adoption
  - Legally adopted children and children for whom the employee or the employee's spouse is the child's legal guardian
  - Children awarded coverage pursuant to an order of court

  An eligible dependent child's coverage automatically terminates and all benefits hereunder cease on the day following the date the dependent reaches the limiting age or ceases to be an eligible dependent as indicated above, whether or not notice to terminate is received by Highmark.

- Unmarried children over age 26 who are not able to support themselves due to intellectual disability, physical disability, mental illness or developmental disability that started before age 26. Highmark may require proof of such disability from time to time. Coverage automatically terminates and all benefits hereunder cease, except as otherwise indicated, on the day following the date on which the disability ceases, whether or not notice to terminate is received by Highmark.

NOTE: To the extent mandated by the requirements of Pennsylvania Act 83 of 2005, eligibility will be continued past the limiting age for children who are enrolled as dependents under their parent's coverage at the time they are called or ordered into active military duty. They must be a member of the Pennsylvania National Guard or any reserve component of the armed forces of the United States, who is called or ordered to active duty, other than active duty for training, for a period of 30 or more consecutive days, or be a member of the Pennsylvania National Guard ordered to active state duty for a period of 30 or more consecutive days. If they become a full-time student for the first term or semester starting 60 or more days after their release from active duty, they shall be eligible for coverage as a dependent past the limiting

age for a period equal to the duration of their service on active duty or active state duty.

For the purposes of this note, full-time student shall mean a dependent who is enrolled in, and regularly attending, an accredited school, college or university, or a licensed technical or specialized school for 15 or more credit hours per semester, or, if less than 15 credit hours per semester, the number of credit hours deemed by the school to constitute full-time student status.

A dependent child who takes a medically necessary leave of absence from school, or who changes enrollment status (such as changing from full-time to part-time) due to a serious illness or injury may continue coverage for one year from the first day of the medically necessary leave of absence or other change in enrollment, or until the date coverage would otherwise terminate under the terms of this program, whichever is earlier. Highmark may require certification from the dependent child's treating physician in order to continue such coverage.

To be eligible for dependent coverage, proof that dependents meet the above criteria may be required.

Changes in Membership Status

For Highmark to administer consistent coverage for you and your dependents, you must keep your Employee Benefit Department informed about any address changes or changes in family status (births, adoptions, deaths, marriages, divorces, etc.) that may affect your coverage.

Medicare

Covered Active Employees Age 65 or Over

If you are age 65 or over and actively employed in a group with 20 or more employees, you will remain covered under the program for the same benefits available to employees under age 65. As a result:

- the program will pay all eligible expenses first.
- Medicare will then pay for Medicare eligible expenses, if any, not paid for by the program.

- or -

Non-Covered Active Employees Age 65 or Over

If you are age 65 or over and actively employed, you may elect not to be covered under your program. In such a case, Medicare will be your only coverage. If you choose this option, you will not be eligible for any benefits under the program. Contact your plan administrator for specific details.

Spouses Age 65 or Over of Active Employees

If you are actively employed in a group with 20 or more employees, your spouse has the same choices for benefit coverage as indicated above for the employee age 65 and over.

Regardless of the choice made by you or your spouse, each one of you should apply for Medicare Part A coverage about three months prior to becoming age 65. If you elect to be covered under the program, you may wait to enroll for Medicare Part B. You will be able to enroll for Part B later during special enrollment periods without penalty.

Leave of Absence or Layoff

Upon your return to work following a leave of absence or layoff that continued beyond the period of your coverage, your group's program may, in some cases, allow you to resume your coverage. You should consult with your plan administrator/employer to determine whether your group program has adopted such a policy.

Continuation of Coverage

The Consolidated Omnibus Budget Reconciliation Act (COBRA) is a federal law that covers group health plans sponsored by an employer (private sector or state/local government) that employed at least 20 employees on more than 50 percent of its typical business days in the previous calendar year. Employers that are subject to COBRA must temporarily extend their health care coverage to certain categories of employees and their covered dependents when, due to certain "qualifying events," they are no longer eligible for group coverage.

Act 2 of 2009 is a Pennsylvania law that is sometimes referred to as "mini-COBRA" since it is similar in purpose to federal COBRA. However, unlike federal COBRA, mini-COBRA only applies to employers who employed between 2 and 19 employees on a typical business day during the previous calendar year.

Contact your employer for more information about COBRA and mini-COBRA and the events that may allow you or your dependents to temporarily extend health care coverage.

Conversion

If your employer does not offer continuation of coverage, or if you do not wish to continue coverage through your employer's program, you may be able to enroll in an individual conversion program available from Highmark. Also, conversion is available to anyone who has elected continued coverage through your employer's program and the term of that coverage has expired.

If your coverage through your employer is discontinued for any reason, except as specified below, you may be able to convert to a direct payment program.

The conversion opportunity is not available if either of the following applies:

- You are eligible for another group health care benefits program through your place of employment.
- When your employer's program is terminated and replaced by another health care benefits program.

Termination of Your Coverage Under the Employer Contract

Your coverage can be terminated in the following instances:

- When you cease to be an employee, the group shall promptly notify Highmark that you are no longer eligible for coverage and that your coverage should be terminated as follows:
  - When prompt notification is received, coverage will be terminated no earlier than the date on which you cease to be eligible.
  - When a group requests a retroactive termination of coverage, coverage will be terminated no earlier than the first day of the month preceding the month in which Highmark received notice from the group.
- When you fail to pay the required contribution, your coverage will terminate at the end of the last month for which payment was made.
- Termination of the employer contract automatically terminates the coverage of all the members. It is the responsibility of the employer to notify you of the termination of coverage. However, coverage will be terminated regardless of whether the notice is given to you by the employer.
- If it is proven that you obtained or attempted to obtain benefits or payment for benefits through fraud or intentional misrepresentation of a material fact,

Highmark may, upon 30-day advance written notice to you, terminate your coverage under the program.

Benefits After Termination of Coverage

- If you are totally disabled at the time your coverage terminates, benefits will be continued for covered services directly related to the condition causing such total disability. This benefit extension does not apply to covered services relating to other conditions, illnesses, diseases or injuries and is not available if your termination was due to fraud or intentional misrepresentation of a material fact. This total disability extension of benefits will be provided as long as you remain so disabled as follows:

  - Up to a maximum period of 12 consecutive months
  - Until the maximum amount of benefits has been paid
  - Until the total disability ends
  - Until you become covered without limitation as to the disabling condition under other group coverage, whichever occurs first

- Your benefits will not be continued if your coverage is terminated because you failed to pay any required premium.

College Tuition Reward Program

1. Highmark provides access to a College Tuition Reward Program ("Program") made available by SAGE CTB LLC ("Sage"). Sage represents and has agreements with a consortium of private colleges and universities that participate in the Program.
2. Participation in the Program is at the sole option of the member.
3. Members who wish to participate in the Program can earn college tuition reward points that can be converted into equivalent cash credits which may be applied to the tuition expenses that eligible students incur when attending Sage participating colleges and universities. Credits are earned and accumulate during the period in which the member is enrolled under this plan.
4. Information regarding Program details including a listing of participating colleges and universities will be provided by Sage.
5. Highmark makes no representations and assumes no liability in connection with the Program or its administration.

Coordination of Benefits

Most health care programs, including your health care program, contain a coordination of benefits provision. This provision is used when you, your spouse or your covered dependents are eligible for payment under more than one health care program. The object of coordination of benefits is to ensure that your covered expenses will be paid, while preventing duplicate benefit payments.

Here is how the coordination of benefits provision works:

- When your other coverage does not mention "coordination of benefits," then that coverage pays first. Benefits paid or payable by the other coverage will be taken into account in determining if additional benefit payments can be made under your program.
- When the person who received care is covered as an employee under one contract, and as a dependent under another, then the employee coverage pays first.
- When a dependent child is covered under two contracts whose parents are married or are living together, whether or not they have ever been married, the contract which covers the person as a dependent of the parent whose birthday (month and day) falls earliest in the calendar year will be primary. But, if both parents have the same birthday, the program which covered the parent longer will be the primary program.
- If the dependent child's parents are divorced or separated or not living together, whether or not they have ever been married, the following applies:
  - if a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage, that contract is the primary program;
  - if a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provision for married or living together above shall determine the order of benefits;
  - if a court decree states the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provision for married or living together above shall determine the order of benefits; or
  - if there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

i. the contract covering the custodial parent;

ii. the contract covering the spouse of custodial parent;

iii. the contract covering the non-custodial parent; and then

iv. the contract covering the spouse of the non-custodial parent

- If none of the above circumstances applies, the coverage you have had for the longest time pays first, provided that:
  - the benefits of a program covering the person as an employee other than a laid-off or retired employee or as the dependent of such person shall be determined before the benefits of a program covering the person as a laid-off or retired employee or as a dependent of such person and if
  - the other program does not have this provision regarding laid-off or retired employees, and, as a result, plans do not agree on the order of benefits, then this rule is ignored.

If you receive more than you should have when your benefits are coordinated, you will be expected to repay any overpayment.

Force Majeure

No failure, delay or default in performance of any obligation of Highmark shall constitute an event of default or breach to the extent that such failure to perform, delay or default arises out of a cause, existing or future, that is beyond the reasonable control and not the result of the negligence of Highmark. Such events include, by way of illustration and not limitation, Acts of God, war (declared or undeclared), government regulation, acts or inaction of governmental authority, civil or military authority, unforeseen disruptions caused by suppliers, subcontractors, vendors or carriers, terrorism, disaster, strikes, civil-disorder, curtailment of transportation facilities, fire, floods, blizzards, epidemics, pandemics, viral or communicable disease outbreaks, National Emergency, quarantines, disruption of the labor force and/or any other cause which is beyond the reasonable control of Highmark (hereinafter a "Force Majeure Event"), that makes it impossible, illegal or commercially impracticable for Highmark to perform its obligations in whole or in part.

Upon the occurrence of a Force Majeure Event, Highmark shall take action to minimize the consequences of the Force Majeure Event. If Highmark relies on any of the foregoing as an excuse for failure, default or delay in performance, it shall give prompt written notice to the group of the facts that constitute such Force Majeure Event, when it arose and when it is expected to cease.

Subrogation

Subrogation means that if you incur health care expenses for injuries caused by another person or organization, the person or organization causing the accident may be responsible for paying these expenses.

For example, if you or one of your dependents receives benefits through your program for injuries caused by another person or organization, Highmark has the right, through subrogation, to seek repayment from the other person or organization or any applicable insurance company for benefits already paid.

Highmark will provide eligible benefits when needed, but you may be asked to show documents or take other necessary actions to support Highmark in any subrogation efforts.

A Recognized Identification Card

The Blue Shield symbol on your Highmark identification (ID) card is recognized throughout the country and around the world. Carry your ID card with you at all times, destroy any previously issued cards, and show this card to the hospital, doctor, pharmacy, or other health care professional whenever you need medical care.

If your card is lost or stolen, please contact Highmark Member Service immediately. You can also request additional or replacement cards online by logging onto www.highmarkblueshield.com.

Below is a sample of the type of information that will be displayed on your ID card:

- Your name and your dependent's name, if applicable
- Identification number
- Group number
- Member Service toll-free number (on back of card)
- Precertification toll-free number (on back of card)

How to File a Claim

In most instances, hospitals and physicians will submit a claim on your behalf directly to Highmark. If your claim is not submitted directly by the provider, you must submit itemized bills along with a special claim form.

The procedure is simple. Just take the following steps.

- ***Know Your Benefits.*** Review this information to see if the services you received are eligible under your medical program.
- ***Get an Itemized Bill.*** Itemized bills must include:
  - The name and address of the service provider;
  - The patient's full name;
  - The date of service or supply;
  - A description of the service or supply;
  - The amount charged;
  - The diagnosis or nature of illness;
  - For durable medical equipment, the doctor's certification;
  - For private duty nursing, the nurse's license number, charge per day, shift worked, and signature of provider prescribing the service;
  - For ambulance services, the total mileage.

  Please note: If you've already made payment for the services you received, you must also submit proof of payment (receipt from the provider) with your claim form. Cancelled checks, cash register receipts, or personal itemizations are not acceptable as itemized bills.

- ***Copy Itemized Bills.*** You must submit originals, so you may want to make copies for your records. Once your claim is received, itemized bills cannot be returned.
- ***Complete a Claim Form.*** Make sure all information is completed properly, and then sign and date the form. *Claim forms can be downloaded from blog.highmarkhealth.org by entering "forms" in the search box. Claim forms are also available from your employee benefits department, or call the Member Service telephone number on the back of your ID card.*

- ***Attach Itemized Bills to the Claim Form and Mail*.** After you complete the above steps, attach all itemized bills to the claim form and mail everything to the address on the back of your ID card.

Remember: Multiple services for the same family member can be filed with one claim form. However, a separate claim form must be completed for each member.

If you file the claim yourself, your medical claim must be submitted within 12 months of the date of service, but in no event will it be accepted later than one year from the 12-month timeframe.

Your Explanation of Benefits Statement

When you submit a claim, you will receive an Explanation of Benefits (EOB) statement that lists:

- the provider's actual charge;
- the allowable amount as determined by Highmark;
- the copayment; deductible and coinsurance amounts, if any, that you are required to pay;
- total benefits payable; and
- the total amount you owe.

In those instances where you are not required to submit a claim because, for example, the provider will submit the bill as a claim for payment under its contract with Highmark, you will receive an EOB only when you are required to pay amounts other than your required copayment.

If you do not have access to a computer or prefer to continue receiving printed EOBs, please notify Member Service by calling the number on the back of your ID card.

Additional Information on How to File a Claim

Member Inquiries

General inquiries regarding your eligibility for coverage and benefits do not involve the filing of a claim, and should be made by directly contacting the Member Service Department using the telephone number on your ID card.

Filing Benefit Claims

– ***Authorized Representatives***

You have the right to designate an authorized representative to file or pursue a request for reimbursement or other post-service claim on your behalf. Highmark reserves the right to establish reasonable procedures for determining whether an individual has been authorized to act on your behalf.

– ***Requests for Precertification and Other Pre-Service Claims***

For a description of how to file a request for precertification or other pre-service claim, see the Precertification and Pre-Service Claims Review Processes subsection in the Health Care Management section of this benefit booklet.

– ***Requests for Reimbursement and Other Post-Service Claims***

When a hospital, physician or other provider submits its own reimbursement claim, the amount paid to that provider will be determined in accordance with the provider's agreement with Highmark or the local licensee of the Blue Cross Blue Shield Association serving your area. Highmark will notify you of the amount that was paid to the provider. Any remaining amounts that you are required to pay in the form of a copayment, coinsurance or program deductible will also be identified in that EOB or notice. If you believe that the copayment, coinsurance or deductible amount identified in that EOB or notice is not correct or that any portion of those amounts are covered under your benefit program, you may file a claim with Highmark. For instructions on how to file such claims, you should contact the Member Service Department using the telephone number on your ID card.

Determinations on Benefit Claims

– ***Notice of Benefit Determinations Involving Requests for Precertification and Other Pre-Service Claims***

For a description of the time frames in which requests for precertification or other pre-service claims will be determined by Highmark and the notice you will receive concerning its decision, whether adverse or not, see the Precertification and Pre-Service Claims Review Processes subsection in the Health Care Management section of this benefit booklet.

- ***Notice of Adverse Benefit Determinations Involving Requests for Reimbursement and Other Post-Service Claims***
  Highmark will notify you in writing of its determination on your request for reimbursement or other post-service claim within a reasonable period of time following receipt of your claim. That period of time will not exceed 30 days from the date your claim was received. However, this 30-day period of time may be extended one time by Highmark for an additional 15 days, provided that Highmark determines that the additional time is necessary due to matters outside its control, and notifies you of the extension prior to the expiration of the initial 30-day post-service claim determination period. If an extension of time is necessary because you failed to submit information necessary for Highmark to make a decision on your post-service claim, the notice of extension that is sent to you will specifically describe the information that you must submit. In this event, you will have at least 45 days in which to submit the information before a decision is made on your post-service claim.

If your request for reimbursement or other post-service claim is denied, you will receive written notification of that denial which will include, among other items, the specific reason or reasons for the adverse benefit determination and a statement describing your right to file an appeal.

For a description of your right to file an appeal concerning an adverse benefit determination of a request for reimbursement or any other post-service claim, see the Appeal Procedure subsection below.

Appeal Procedure

Internal Appeal Process

Highmark maintains an internal appeal process involving one level of review.

At any time during the appeal process, you may choose to designate an authorized representative to participate in the appeal process on your behalf. You or your authorized representative shall notify Highmark in writing of the designation. For purposes of the appeal process, "you" includes designees, legal representatives and, in the case of a minor, parents entitled or authorized to act on your behalf. Highmark reserves the right to establish reasonable procedures for determining whether an individual has been authorized to act on your behalf. Such procedures as adopted by Highmark shall, in the case of an urgent care claim, permit a physician or other health care provider with knowledge of your medical condition to act as your authorized representative.

At any time during the appeal process, you may contact the Member Service Department at the toll-free telephone number listed on your ID card to inquire about the filing or status of your appeal.

If you receive notification that your coverage has been rescinded or that a claim has been denied by Highmark, in whole or in part, you may appeal the decision. Your appeal must be submitted within 180 days from the date of your receipt of notification of the adverse decision.

Upon request to Highmark, you may review all documents, records and other information relevant to your appeal and shall have the right to submit or present additional evidence or testimony which includes any written or oral statements, comments and/or remarks, documents, records, information, data or other material in support of your appeal. Your appeal will be reviewed by a representative from the Member Grievance and Appeals Department. The representative shall not have been involved or be the subordinate of any individual that was involved in any previous decision to deny the claim or matter which is the subject of your appeal. In rendering a decision on your appeal, the Member Grievance and Appeals Department will take into account all evidence, comments, testimony, documents, records, and other information submitted by you without regard to whether such information was previously submitted to or considered by Highmark. The Member Grievance and Appeals Department will afford no deference to any prior adverse decision on the claim which is the subject of your appeal.

Each appeal will be promptly investigated and Highmark will provide written notification of its decision within the following time frames:

- When the appeal involves a non-urgent care pre-service claim, within a reasonable period of time appropriate to the medical circumstances involved not to exceed 30 days following receipt of the appeal;
- When the appeal involves an urgent care claim, as soon as possible taking into account the medical exigencies involved but not later than 72 hours following receipt of the appeal; or
- When the appeal involves a post-service claim or a decision by Highmark to rescind coverage, within a reasonable period of time not to exceed 30 days following receipt of the appeal.

If Highmark fails to provide notice of its decision within the above-stated time frames or otherwise fails to strictly adhere to these appeal procedures, you may be permitted to request an external review and/or pursue any applicable right to arbitration.

In the event Highmark renders an adverse decision on your internal appeal, the notification shall include, among other items, the specific reason or reasons for the adverse decision and a statement regarding your right to request an external review and/or pursue any applicable right to arbitration.

External Review Process

You shall have four months from the receipt of the notice of Highmark's decision to appeal the denial resulting from the internal appeal process by requesting an external review of the decision. To be eligible for external review, Highmark's decision to be reviewed must involve:

- a claim that was denied involving medical judgment, including application of Highmark's requirements as to medical necessity, appropriateness, health care setting, level of care, effectiveness of a covered service or a determination that the treatment is experimental or investigational, or
- a determination made by Highmark to rescind your coverage.

In the case of a denied claim, the request for external review may be filed by either you or your health care provider, with your written consent in the format required by or acceptable to Highmark. The request for external review should include any reasons, material justification and all reasonable necessary supporting information as part of the external review filing.

Preliminary Review and Notification

Within five business days from receipt of the request for external review, Highmark will complete a preliminary review of the external review request to determine:

- in the case of a denied claim, whether you are or were covered under this program at the time the covered service which is the subject of the denied claim was or would have been received;
- whether you have exhausted Highmark's internal appeal process, unless otherwise not required to exhaust that process; and
- whether you have provided all of the information and any applicable forms required by Highmark to process the external review request.

Within one business day following completion of its preliminary review of the request, Highmark shall notify you, or the health care provider filing the external review request on your behalf, of its determination.

In the event that the external review request is not complete, the notification will describe the information or materials needed to complete the request in which case you, or the health care provider filing the external review request on your behalf, must

correct and/or complete the external review request no later than the end of the four month period in which you were required to initiate an external review of Highmark's decision, or alternatively, 48 hours following receipt of Highmark's notice of its preliminary review, whichever is later.

In the event that the external review request is complete but not eligible for external review, notification by Highmark will include the reasons why the request is ineligible for external review and contact information that you may use to receive additional information and assistance.

Final Review and Notification

Requests that are complete and eligible for external review will be assigned to an independent review organization (IRO) to conduct the external review. The assigned IRO will notify you, or the health care provider filing the external review on your behalf, that the request has been accepted and is eligible for external review. The notice will further state that the IRO has been assigned to conduct the external review and that any additional information which you or the health care provider may have in support of the request must be submitted, in writing, within 10 business days following receipt of the notice. Any additional information timely submitted by you or the health care provider and received by the assigned IRO will be forwarded to Highmark. Upon receipt of the information, Highmark shall be permitted an opportunity to reconsider its prior decision regarding the claim that was denied or the matter which is the subject of the external review request.

The assigned IRO will review all of the information and documents that it timely received and make a decision on the external review request. The decision shall be made without regard or deference to the decision that was made in Highmark's internal appeal process. The assigned IRO shall provide written notice of its final external review decision to Highmark and you, or the health care provider filing the external review request on your behalf, within 45 days from receipt by the IRO of the external review request. Written notice of the decision shall provide, among other information, a statement of the principal reasons for the decision including the rationale and standards relied upon by the IRO, a statement that arbitration may be available to you and current contact information for the Pennsylvania Insurance Department Office of Consumer Services or such other applicable office of health insurance consumer assistance or ombudsman.

Expedited External Review (applies to urgent care claims only)

If Highmark's initial decision or the denial resulting from Highmark's internal appeal process involves an urgent care claim, you or the health care provider on behalf of you may request an expedited external review of Highmark's decision. Requests for expedited external review are subject to review by Highmark to determine whether

they are timely, complete and eligible for external review. When the request involves a denied urgent care claim, Highmark must complete its preliminary review and provide notice of its eligibility determination immediately upon receipt of the request for expedited external review. If the request is eligible for expedited external review, Highmark must then transmit all necessary documents and information that was considered in denying the urgent care claim involved to an assigned IRO in an expeditious manner. The assigned IRO will conduct the review and provide notice of its final external review decision as expeditiously as your medical condition or circumstances require, but in no event more than 72 hours following receipt by the IRO of the request for expedited external review. If notice of the decision by the IRO is not provided in writing, the IRO must provide within 48 hours following initial notice of its final external review decision, written confirmation of that decision to Highmark and you, or the health care provider filing the expedited external review request on your behalf.

Member Assistance Services

You may obtain assistance with Highmark's internal appeal and external review procedures as described herein by contacting the Pennsylvania Insurance Department Office of Consumer Services or such other applicable office of health insurance consumer assistance or ombudsman.

Autism Spectrum Disorders Expedited Review and Appeal Procedures

Upon denial, in whole or in part, of a pre-service claim or post-service claim for diagnostic assessment or treatment of autism spectrum disorders, there is an appeal procedure for expedited internal review which you may choose as an alternative to those procedures set forth above. In order to obtain an expedited review, you or your authorized representative shall identify the particular claim as one related to the diagnostic assessment or treatment of an autism spectrum disorder to the Member Service Department and request an expedited review which will be provided by Highmark. If, based on the information provided at the time the request is made, the claim cannot be determined as one based on services for the diagnostic assessment or treatment of autism spectrum disorders, Highmark may request from you or the health care provider additional clinical information including the treatment plan described in the Covered Services section of the booklet.

An appeal of a denial of a claim for services for the diagnostic assessment or treatment of an autism spectrum disorder is subject to review by a Review Committee. The request to have the decision reviewed by the Review Committee may be communicated orally or be submitted in writing within 180 days from the date the denial of the claim is received, and may include any written information from you or

the health care provider. The Review Committee shall be comprised of three employees of Highmark who were not involved or the subordinate of any individual that was previously involved in any decision to deny coverage or payment for the health care service. The Review Committee will hold an informal hearing to consider the appeal. When arranging the hearing, Highmark will notify you or the health care provider of the hearing procedures and rights at such hearing, including your or the health care provider's right to be present at the review and to present a case. If you or the health care provider cannot appear in person at the review, Highmark shall provide you or the health care provider the opportunity to communicate with the Review Committee by telephone or other appropriate means.

Highmark shall conduct the expedited internal review and notify you or your authorized representative of its decision as soon as possible but not later than 48 hours following the receipt of your request for an expedited review. The notification to you and the health care provider shall include, among other items, the specific reason or reasons for the adverse decision including any clinical rationale, the procedure for obtaining an expedited external review and a statement regarding your right to pursue legal action.

Following the receipt of the expedited internal review decision, you may contact Highmark to request an expedited external review pursuant to the expedited external review procedure for autism spectrum disorders established by the Pennsylvania Insurance Department.

Member Rights and Responsibilities

Your participation in the Traditional program is vital to maintaining quality in your program and services. Your importance to this process is reflected in the following statement of principles.

You have the right to:

1. Receive information about Highmark, its products and its services, its practitioners and providers, and your rights and responsibilities.
2. Be treated with respect and recognition of your dignity and right to privacy.
3. Participate with practitioners in decision-making regarding your health care. This includes the right to be informed of your diagnosis and treatment plan in terms that you understand and participate in decisions about your care.
4. Have a candid discussion of appropriate and/or medically necessary treatment options for your condition(s), regardless of cost or benefit coverage. Highmark does not restrict the information shared between practitioners and patients and has policies in place, directing practitioners to openly communicate information with their patients regarding all treatment options regardless of benefit coverage.
5. Voice a complaint or file an appeal about Highmark or the care provided and receive a reply within a reasonable period of time.
6. Make recommendations regarding the Highmark Members' Rights and Responsibilities policies.

You have a responsibility to:

1. Supply to the extent possible, information that the organization needs in order to make care available to you, and that its practitioners and providers need in order to care for you.
2. Follow the plans and instructions for care that you have agreed on with your practitioners.
3. Communicate openly with the physician you choose. Ask questions and make sure you understand the explanations and instructions you are given, and participate in developing mutually agreed upon treatment goals. Develop a relationship with your doctor based on trust and cooperation.

How We Protect Your Right to Confidentiality

We have established policies and procedures to protect the privacy of our members' protected health information ("PHI") in all forms, including PHI given verbally, from unauthorized or improper use. Some of the ways we protect your privacy include not discussing PHI outside of our offices, e.g., in hallways, elevators, as well as verifying your identity before we discuss PHI with you over the phone. As permitted by law, we

may use or disclose protected health information for treatment, payment and health care operations, such as: claims management, routine audits, coordination of care, quality assessment and measurement, case management, utilization review, performance measurement, customer service, credentialing, medical review and underwriting. With the use of measurement data, we are able to manage members' health care needs, even targeting certain individuals for quality improvement programs, such as health, wellness and disease management programs.

If we ever use your protected health information for non-routine uses, we will ask you to give us your permission by signing a special authorization form, except with regard to court orders and subpoenas.

You have the right to access the information your doctor has been keeping in your medical records, and any such request should be directed first to your network physician.

You benefit from the many safeguards we have in place to protect the use of data we maintain. This includes requiring our employees to sign statements in which they agree to protect your confidentiality, using computer passwords to limit access to your protected health information, and including confidentiality language in our contracts with physicians, hospitals, vendors and other health care providers.

Our Privacy Department reviews and approves policies regarding the handling of confidential information.

Recognizing that you have a right to privacy in all settings, we even inspect the privacy of examination rooms when we conduct on-site visits to physicians' offices. It's all part of safeguarding the confidentiality of your protected health information.

Terms You Should Know

Applied Behavioral Analysis - The design, implementation and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior or to prevent loss of attained skill or function, including the use of direct observation, measurement and functional analysis of the relations between environment and behavior.

Approved Clinical Trial - A Phase I, Phase II, Phase III, or Phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and that has been federally funded, authorized or approved by one of the following:

a. The National Institutes of Health (NIH), including the National Cancer Institute (NCI);
b. The United States Food and Drug Administration (FDA) in the form of an investigational new drug (IND) exemption;
c. The United States Department of Defense (DOD);
d. The United States Department of Veterans Affairs (VA);
e. The Centers for Disease Control and Prevention (CDC);
f. The Agency for Healthcare Research and Quality (AHRQ);
g. The Centers for Medicare and Medicaid Services (CMS)
h. The Department of Energy; or
i. A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support.

Highmark may, at its discretion, approve other clinical trials that do not satisfy the above criteria.

Assisted Fertilization - Any method used to enhance the possibility of conception through retrieval or manipulation of the sperm or ovum. This includes, but is not limited to, artificial insemination, In Vitro Fertilization (IVF), Gamete Intra-Fallopian Transfer (GIFT), Zygote Intra-Fallopian Transfer (ZIFT), Tubal Embryo Transfer (TET), Peritoneal Ovum Sperm Transfer, Zona Drilling, and sperm microinjection.

Autism Service Provider - A professional provider or a facility provider licensed or certified, where required, and performing within the scope of such license or certification providing treatment for autism spectrum disorders, pursuant to a treatment plan, as provided herein.

Autism Spectrum Disorders - Any disorder defined as an autism spectrum disorder by the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, or its successor.

Behavior Specialist - An individual licensed or certified, where required, and performing within the scope of such licensure or certification, who designs, implements or evaluates a behavior modification intervention component of a treatment plan for the treatment of autism spectrum disorders, including those based on applied behavioral analysis, to produce socially significant improvements in human behavior or to prevent loss of attained skill or function through skill acquisition and the reduction of problematic behavior.

Benefit Period - The specified period of time during which charges for covered services must be incurred in order to be eligible for payment by Highmark. A charge shall be considered incurred on the date you receive the service or supply for which the charge is made.

Blues On Call - A 24-hour health decision support program that gives you ready access to a specially-trained health coach.

Board-Certified - A designation given to those physicians who, after meeting strict standards of knowledge and practices, are certified by the professional board representing their specialty.

Claim – A request for precertification or prior approval of a covered service or for the payment or reimbursement of the charges or costs associated with a covered service. Claims include:

- **Pre-Service Claim** – A request for precertification or prior approval of a covered service which under the terms of your coverage must be approved before you receive the covered service.

- **Urgent Care Claim** – A pre-service claim which, if decided within the time periods established for making non-urgent care pre-service claim decisions, could seriously jeopardize your life, health or ability to regain maximum function or, in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the service. Whether a request involves an urgent care claim will be determined by your attending physician or provider.

- **Post-Service Claim** – A request for payment or reimbursement of the charges or costs associated with a covered service that you have received.

Custodial Care - Care provided primarily for maintenance of the patient or which is designed essentially to assist the patient in meeting the activities of daily living and which is not primarily provided for its therapeutic value in the treatment of an illness, disease, bodily injury, or condition.

Designated Agent - An entity that has contracted, either directly or indirectly with Highmark to perform a function and/or service in the administration of this program. Such function and/or service may include, but is not limited to, medical management and provider referral.

Detoxification Services (Withdrawal Management Services) - Inpatient and outpatient services for the treatment of withdrawal from alcohol or drugs. Inpatient services must include twenty-four hour nursing care and physician oversight.

Diabetes Prevention Program - A 12-month program using curriculum approved by the Centers for Disease Control to deliver a prevention lifestyle intervention for those at high risk of developing type 2 diabetes. The program includes behavioral and motivational content focusing on moderate changes in both diet and physical activity.

Diabetes Prevention Provider - An entity that offers a diabetes prevention program.

Emergency Care Services - The treatment of bodily injuries resulting from an accident, or following the sudden onset of a medical condition, or following, in the case of a chronic condition, a sudden and unexpected medical event that manifests itself by acute symptoms of sufficient severity or severe pain, such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

- placing your health or, with respect to a pregnant member, the health of the member or the unborn child in serious jeopardy;
- causing serious impairment to bodily functions; and/or
- causing serious dysfunction of any bodily organ or part

and for which care is sought as soon as possible after the medical condition becomes evident to you.

Experimental/Investigative - The use of any treatment, service, procedure, facility, equipment, drug, device or supply (intervention) which is not determined by

Highmark Inc. to be medically effective for the condition being treated. Highmark will consider an intervention to be experimental/investigative if: the intervention does not have Food and Drug Administration (FDA) approval to be marketed for the specific relevant indication(s); or, available scientific evidence does not permit conclusions concerning the effect of the intervention on health outcomes; or, the intervention is not proven to be as safe and as effective in achieving an outcome equal to or exceeding the outcome of alternative therapies; or, the intervention does not improve health outcomes; or, the intervention is not proven to be applicable outside the research setting. If an intervention, as defined above, is determined to be experimental/investigative at the time of the service, it will not receive retroactive coverage, even if it is found to be in accordance with the above criteria at a later date.

Immediate Family - Your spouse, child, stepchild, parent, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandchild, grandparent, stepparent, stepbrother or stepsister.

In-Area - The geographic area covering the Plan Service Area, the Northeastern Region Service Area and the Western Region Service Area.

Infertility - The medically documented inability to conceive with unprotected sexual intercourse between partners of the opposite biological sex for a period of at least 12 months. The inability to conceive may be due to either partner.

Intensive Outpatient Program - A time-limited, separate and distinct outpatient program that includes individual therapy, family therapy, group therapy and medication management following an individualized treatment plan. Participation in an Intensive Outpatient Program may involve two (2) or more hours of programming a week. The program may be offered during the day or evening hours and can be a step-down from a higher level of care or a step-up to prevent the need for a higher level of care. The goals of an Intensive Outpatient Program are to prevent or reduce the need for inpatient hospitalization and to reduce or stabilize symptoms and functional impairment of a psychiatric or co-occurring substance use disorder. Medically necessary treatment is provided within a structured therapeutic milieu.

Medically Necessary and Appropriate (Medical Necessity and Appropriateness) - Services, medications or supplies that a provider, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that are: (i) in accordance with generally accepted standards of medical practice; and (ii) clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's illness, injury or disease; and (iii) not primarily for the convenience of the patient, physician, or other health care provider, and not more costly than an alternative service, sequence of services or site of service at least as likely to produce equivalent therapeutic or diagnostic results given the nature of the patient's diagnosis, treatment, illness, injury or disease, the severity of the patient's symptoms, or other clinical criteria.

Highmark reserves the right, utilizing the criteria set forth in this definition, to render the final determination as to whether a service, medication or supply is medically necessary and appropriate. No benefits hereunder will be provided unless Highmark determines that the service, medication or supply is medically necessary and appropriate.

Northeastern Region Service Area - The geographic area consisting of the following counties in Northeastern Pennsylvania:

Bradford	Lycoming	Susquehanna
Carbon	Monroe	Tioga
Clinton	Pike	Wayne
Lackawanna	Sullivan	Wyoming
Luzerne		

Office Based Opioid Treatment Program - An outpatient treatment program for the treatment of opioid use disorder. The program is also known as medication assisted treatment.

Opioid Treatment Program - An outpatient treatment program for the treatment of severe opioid use disorder. The program consists of daily or several times weekly medication and counseling available to maintain stability for those with severe opioid use disorder.

Out-of-Area - The geographic area outside the Plan Service Area, outside the Northeastern Region Service Area and outside the Western Region Service Area.

Partial Hospitalization - The provision of medical, nursing, counseling or therapeutic mental health care services or substance abuse services on a planned and regularly scheduled basis in a facility provider designed for a patient or client who would benefit from more intensive services than are generally offered through outpatient treatment but who does not require inpatient care.

Partial Hospitalization Program - A time-limited, outpatient treatment program that is offered in the day or evening hours for a minimum of four (4) hours per day, three (3) days per week. A Partial Hospitalization Program is a less restrictive alternative to inpatient hospitalization for individuals presenting with acute symptoms of a severe psychiatric disorder who cannot be effectively or safely treated in a lower level of care, and would otherwise require inpatient treatment. The goals of a Partial Hospitalization Program are to prevent or reduce the need for inpatient hospitalization or re-hospitalization following discharge from inpatient treatment and to reduce or stabilize symptoms and functional impairment of a psychiatric or co-occurring substance use disorder. Medically necessary treatment is provided within a structured therapeutic milieu.

Participating Provider - A health care provider who has signed an agreement with Highmark regarding payment of benefits for covered services.

Plan - Refers to Highmark; which is an independent licensee of the Blue Cross Blue Shield Association. Any reference to the plan may also include its designated agent as defined herein and with whom the plan has contracted either directly or indirectly, to perform a function or service in the administration of this program.

Plan Allowance - The amount used to determine payment by Highmark for covered services provided to you and to determine your liability. Plan allowance is based on the type of provider who renders such services or as required by law. The plan allowance for an in-area non-participating facility or professional provider or in-area non-contracting supplier is based on an adjusted contractual allowance for like services rendered by a participating facility or professional provider or contracting supplier in the same geographic region. You will be responsible for any difference between the provider's billed charges and Highmark's payment. The plan allowance for an out-of-area provider is determined based on prices received from local licensees of the Blue Cross Blue Shield Association in accordance with Highmark's participation in the BlueCard program described in the Out-of-Area Care section of this booklet.

The plan allowance for a non-participating state-owned psychiatric hospital is what is required by law.

Plan Service Area - The geographic area consisting of the following counties in central Pennsylvania:

Adams	Franklin	Lehigh	Perry
Berks	Fulton	Mifflin	Schuylkill
Centre (part)	Juniata	Montour	Snyder
Columbia	Lancaster	Northampton	Union
Cumberland	Lebanon	Northumberland	York
Dauphin			

Precertification (Preauthorization) - The process through which medical necessity and appropriateness of inpatient admissions, services or place of services is determined by Highmark prior to or after an admission or the performance of a procedure or service.

Residential Treatment Facility - A licensed psychiatric residential facility that provides medical monitoring and twenty-four hour individualized treatment to a group of individuals. The treatment is provided by paid staff unrelated to the individual.

A residential treatment program must provide the following:

a. Awake adult supervision twenty-four hours per day;
b. Clinical assessment at least once a day;
c. Individual, group, or family therapy at least three times per week;
d. Medical history and physical examination of patient within six months prior to admission or within thirty days after admission;
e. Review of patient's current medication(s) initiated within twenty-four hours;
f. Initiation of a multidisciplinary treatment plan within one week;
g. Nursing staff on-site or on-call twenty-four hours per day;
h. Parent training for patient's/guardians or family if return to family is expected;
i. Discharge planning initiated within twenty-four hours;
j. Psychiatric evaluation/updated (initial within one business day, updates at least once a week);
k. Psychosocial assessment and substance evaluation within forty-eight hours;
l. School or vocational program as per the clinical needs and/or age of the patient; and
m. Toxicology screen, quantitative drug analysis, self-help, 12-step, or education group as needed.

Routine Patient Costs - Costs associated with covered services furnished when participating in an Approved Clinical Trial and that Highmark has determined are medically necessary and appropriate. Such costs do not include:

- the costs of investigational drugs or devices themselves;
- the costs of non-health services required by you when receiving treatments or interventions in the course of participating in an Approved Clinical Trial (e.g. transportation, lodging, meals and other travel expenses);
- items or services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of you; and
- a service clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

Specialist - A physician, other than a primary care provider, whose practice is limited to a particular branch of medicine or surgery.

Telemedicine Service - A real time interaction between you and a designated telemedicine provider conducted by means of telephonic or audio and video telecommunications, for the purpose of providing specific outpatient covered services.

Totally Disabled (or Total Disability) - A condition resulting from illness or injury as a result of which, and as certified by a physician, for an initial period of 24 months, you are continuously unable to perform all of the substantial and material duties of your regular occupation. However: (i) after 24 months of continuous disability, "totally disabled" (or total disability) means your inability to perform all of the substantial and material duties of any occupation for which you are reasonably suited by education, training or experience; (ii) during the entire period of total disability, you may not be engaged in any activity whatsoever for wage or profit and must be under the regular care and attendance of a physician, other than your immediate family. If you do not usually engage in any occupation for wages or profits, "totally disabled" (or total disability) means you are substantially unable to engage in the normal activities of an individual of the same age and sex.

Western Region Service Area - The geographic area consisting of the following counties in Western Pennsylvania:

Allegheny	Centre (Part)	Forest	Mercer
Armstrong	Clarion	Greene	Potter
Beaver	Clearfield	Huntingdon	Somerset

Bedford	Crawford	Indiana	Venango
Blair	Elk	Jefferson	Warren
Butler	Erie	Lawrence	Washington
Cambria	Fayette	McKean	Westmoreland
Cameron			

You or Your - Refers to individuals who are covered under the program.

You are hereby notified, your health care benefit program is between the Group, on behalf of itself and its employees and Highmark Blue Shield. Highmark Blue Shield is an independent corporation operating under licenses from the Blue Cross and Blue Shield Association ("the Association"), which is a national association of independent Blue Cross and Blue Shield companies throughout the United States. Although all of these independent Blue Cross and Blue Shield companies operate from a license with the Association, each of them is a separate and distinct operation. The Association allows Highmark Blue Shield to use the familiar Blue Shield words and symbol. Highmark Blue Shield shall be liable to the Group, on behalf of itself and its employees, for any Highmark Blue Shield obligations under your health care benefit program.

HIGHMARK INC.
NOTICE OF PRIVACY PRACTICES

PART I – NOTICE OF PRIVACY PRACTICES (HIPAA)

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

THIS NOTICE ALSO DESCRIBES HOW WE COLLECT, USE AND DISCLOSE NON-PUBLIC PERSONAL FINANCIAL INFORMATION.

Our Legal Duties

At Highmark Inc. ("Highmark"), we are committed to protecting the privacy of your "Protected Health Information" (PHI). PHI is your individually identifiable health information, including demographic information, collected from you or created or received by a health care provider, a health plan, your employer, or a health care clearinghouse that relates to: (i) your past, present, or future physical or mental health or condition; (ii) the provision of health care to you; or (iii) the past, present, or future payment for the provision of health care to you.

This Notice describes our privacy practices, which include how we may use, disclose, collect, handle, and protect our members' protected health information. We are required by applicable federal and state laws to maintain the privacy of your protected health information. We also are required by the HIPAA Privacy Rule (45 C.F.R. parts 160 and 164, as amended) to give you this Notice about our privacy practices, our legal duties, and your rights concerning your protected health information. We are also required to notify affected individuals following a breach of unsecured health information.

We will inform you of these practices the first time you become a Highmark customer. We must follow the privacy practices that are described in this Notice as long as it is in effect. This Notice became effective September 23, 2013, and will remain in effect unless we replace it.

On an ongoing basis, we will review and monitor our privacy practices to ensure the privacy of our members' protected health information. Due to changing circumstances, it may become necessary to revise our privacy practices and the terms of this Notice. We reserve the right to make the changes in our privacy practices and the new terms of our Notice will become effective for all protected health information that we maintain, including protected health information we created or received

before we made the changes. Before we make a material change in our privacy practices, we will change this Notice and notify all affected members in writing in advance of the change. Any change to this notice will be posted on our website and we will further notify you of any changes in our annual mailing.

You may request a copy of our Notice at any time. For more information about our privacy practices, or for additional copies of this Notice, please contact us using the information listed at the end of this Notice.

I. Uses and Disclosures of Protected Health Information

In order to administer our health benefit programs effectively, we will collect, use and disclose protected health information for certain of our activities, including payment and health care operations.

A. Uses and Disclosures of Protected Health Information for Payment and Health Care Operations

The following is a description of how we may use and/or disclose protected health information about you for payment and health care operations:

Payment

We may use and disclose your protected health information for all activities that are included within the definition of "payment" as set out in 45 C.F.R. § 164.501. We have not listed in this Notice all of the activities included within the definition of "payment," so please refer to 45 C.F.R. § 164.501 for a complete list.

For example:
We may use and disclose your protected health information to pay claims from doctors, hospitals, pharmacies and others for services delivered to you that are covered by your health plan, to determine your eligibility for benefits, to coordinate benefits, to examine medical necessity, to obtain premiums, and/or to issue explanations of benefits to the person who subscribes to the health plan in which you participate.

Health Care Operations

We may use and disclose your protected health information for all activities that are included within the definition of "health care operations" as set out in 45 C.F.R. § 164.501. We have not listed in this Notice all of the activities included within the definition of "health care operations," so please refer to 45 C.F.R. § 164.501 for a complete list.

For example:
We may use and disclose your protected health information to rate our risk and determine the premium for your health plan, to conduct quality assessment and improvement activities, to credential health care providers, to engage in care coordination or case management, and/or to manage our business.

B. Uses and Disclosures of Protected Health Information to Other Entities

We also may use and disclose protected health information to other covered entities, business associates, or other individuals (as permitted by the HIPAA Privacy Rule) who assist us in administering our programs and delivering health services to our members.

(i) Business Associates.
In connection with our payment and health care operations activities, we contract with individuals and entities (called "business associates") to perform various functions on our behalf or to provide certain types of services (such as member service support, utilization management, subrogation, or pharmacy benefit management). To perform these functions or to provide the services, business associates will receive, create, maintain, use, or disclose protected health information, but only after we require the business associates to agree in writing to contract terms designed to appropriately safeguard your information.

(ii) Other Covered Entities.
In addition, we may use or disclose your protected health information to assist health care providers in connection with *their* treatment or payment activities, or to assist other covered entities in connection with certain of *their* health care operations. For example, we may disclose your protected health information to a health care provider when needed by the provider to render treatment to you, and we may disclose protected health information to another covered entity to conduct health care operations in the areas of quality assurance and improvement activities, or accreditation, certification, licensing or credentialing.

II. Other Possible Uses and Disclosures of Protected Health Information

In addition to uses and disclosures for payment, and health care operations, we may use and/or disclose your protected health information for the following purposes:

A. To Plan Sponsors

We may disclose your protected health information to the plan sponsor of your group health plan to permit the plan sponsor to perform plan administration functions. For example, a plan sponsor may contact us regarding a member's question, concern, issue regarding claim, benefits, service, coverage, etc. We

may also disclose summary health information (this type of information is defined in the HIPAA Privacy Rule) about the enrollees in your group health plan to the plan sponsor to obtain premium bids for the health insurance coverage offered through your group health plan or to decide whether to modify, amend or terminate your group health plan.

B. Required by Law

We may use or disclose your protected health information to the extent that federal or state law requires the use or disclosure. For example, we must disclose your protected health information to the U.S. Department of Health and Human Services upon request for purposes of determining whether we are in compliance with federal privacy laws.

C. Public Health Activities

We may use or disclose your protected health information for public health activities that are permitted or required by law. For example, we may use or disclose information for the purpose of preventing or controlling disease, injury, or disability.

D. Health Oversight Activities

We may disclose your protected health information to a health oversight agency for activities authorized by law, such as: audits; investigations; inspections; licensure or disciplinary actions; or civil, administrative, or criminal proceedings or actions. Oversight agencies seeking this information include government agencies that oversee: (i) the health care system; (ii) government benefit programs; (iii) other government regulatory programs; and (iv) compliance with civil rights laws.

E. Abuse or Neglect

We may disclose your protected health information to a government authority that is authorized by law to receive reports of abuse, neglect, or domestic violence.

F. Legal Proceedings

We may disclose your protected health information: (1) in the course of any judicial or administrative proceeding; (2) in response to an order of a court or administrative tribunal (to the extent such disclosure is expressly authorized); and (3) in response to a subpoena, a discovery request, or other lawful process, once we have met all administrative requirements of the HIPAA Privacy Rule. For example, we may disclose your protected health information in response to a subpoena for such information.

G. Law Enforcement

Under certain conditions, we also may disclose your protected health information to law enforcement officials. For example, some of the reasons for such a disclosure may include, but not be limited to: (1) it is required by law or some other legal process; or (2) it is necessary to locate or identify a suspect, fugitive, material witness, or missing person.

H. Coroners, Medical Examiners, Funeral Directors, and Organ Donation

We may disclose protected health information to a coroner or medical examiner for purposes of identifying a deceased person, determining a cause of death, or for the coroner or medical examiner to perform other duties authorized by law. We also may disclose, as authorized by law, information to funeral directors so that they may carry out their duties. Further, we may disclose protected health information to organizations that handle organ, eye, or tissue donation and transplantation.

I. Research

We may disclose your protected health information to researchers when an institutional review board or privacy board has: (1) reviewed the research proposal and established protocols to ensure the privacy of the information; and (2) approved the research.

J. To Prevent a Serious Threat to Health or Safety

Consistent with applicable federal and state laws, we may disclose your protected health information if we believe that the disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public.

K. Military Activity and National Security, Protective Services

Under certain conditions, we may disclose your protected health information if you are, or were, Armed Forces personnel for activities deemed necessary by appropriate military command authorities. If you are a member of foreign military service, we may disclose, in certain circumstances, your information to the foreign military authority. We also may disclose your protected health information to authorized federal officials for conducting national security and intelligence activities, and for the protection of the President, other authorized persons, or heads of state.

L. Inmates

If you are an inmate of a correctional institution, we may disclose your protected health information to the correctional institution or to a law enforcement official for: (1) the institution to provide health care to you; (2) your health and safety and the health and safety of others; or (3) the safety and security of the correctional institution.

M. Workers' Compensation

We may disclose your protected health information to comply with workers' compensation laws and other similar programs that provide benefits for work-related injuries or illnesses.

N. Others Involved in Your Health Care

Unless you object, we may disclose your protected health information to a friend or family member that you have identified as being involved in your health care. We also may disclose your information to an entity assisting in a disaster relief effort so that your family can be notified about your condition, status, and location. If you are not present or able to agree to these disclosures of your protected health information, then we may, using our professional judgment, determine whether the disclosure is in your best interest.

O. Underwriting

We may disclose your protected health information for underwriting purposes; however, we are prohibited from using or disclosing your genetic information for these purposes.

P. Health Information Exchange

We all participate in a Health Information Exchange (HIE). An HIE is primarily a secure electronic data sharing network. In accordance with federal and state privacy regulations, regional health care providers participate in the HIE to exchange patient information in order to facilitate health care, avoid duplication of services, such as tests, and to reduce the likelihood that medical errors will occur.

The HIE allows your health information to be shared among authorized participating healthcare providers, such as health systems, hospitals and physicians, for the purposes of Treatment, Payment or Healthcare Operations purposes. Examples of this health information may include:

- General laboratory, pathology, transcribed radiology reports and EKG Images
- Results of outpatient diagnostic testing (GI testing, cardiac testing, neurological testing, etc.)
- Health Maintenance documentation/Medication
- Allergy documentation/Immunization profiles
- Progress notes, Urgent Care visit progress notes
- Consultation notes
- Inpatient operative reports
- Discharge summary/Emergency room visit discharge summary notes

All participating providers who provide services to you will have the ability to access your information. Providers that do not provide services to you will not have access to your information. Information may be provided to others as necessary for referral, consultation, treatment or the provision of other healthcare services, such as pharmacy or laboratory services. All participating providers have agreed to a set of standards relating to their use and disclosure of the information available through the HIE. Your health information shall be available to all participating providers through the HIE.

You cannot choose to have only certain providers access your information. Patients who do not want their health information to be accessible through the HIE may choose not to participate or may "opt-out."

In order to opt-out, you must complete an opt-out Form, which is available at highmark.com or by calling the customer service number located on the back of your membership card. You should be aware, if you choose to opt-out, your health care providers will not be able to access your health information through the HIE. Even if you chose to opt-out, your information will be sent to the HIE, but provider will not be able to access this information. Additionally, your opt-out does not affect the ability of participating providers to access health information entered into the HIE prior to your opt-out submission.

III. Required Disclosures of Your Protected Health Information

The following is a description of disclosures that we are required by law to make:

A. Disclosures to the Secretary of the U.S. Department of Health and Human Services

We are required to disclose your protected health information to the Secretary of the U.S. Department of Health and Human Services when the Secretary is investigating or determining our compliance with the HIPAA Privacy Rule.

B. Disclosures to You

We are required to disclose to you most of your protected health information that is in a “designated record set” (defined below) when you request access to this information. We also are required to provide, upon your request, an accounting of many disclosures of your protected health information that are for reasons other than payment and health care operations.

IV. Other Uses and Disclosures of Your Protected Health Information

Sometimes we are required to obtain your written authorization for use or disclosure of your health information. The uses and disclosures that require an authorization under 45 C.F.R. § 164.508(a) are:

1. For marketing purposes

2. If we intend to see your PHI
3. For use of Psychotherapy notes, which are notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of a conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's medical record. An Authorization for use of psychotherapy notes is required unless:

    a. Used by the person who created the psychotherapy note for treatment purposes, or
    b. Used or disclosed for the following purposes:
        (i) the provider's own training programs in which students, trainees, or practitioners in mental health learn under supervision to practice or improve their skills in group, joint family or individual counseling;
        (ii) for the provider to defend itself in a legal action or other proceeding brought by an individual that is the subject of the notes;
        (iii) if required for enforcement purposes;
        (iv) if mandated by law;
        (v) if permitted for oversight of the provider that created the note;
        (vi) to a coroner or medical examiner for investigation of the death of any individual in certain circumstances; or
        (vii) if needed to avert a serious and imminent threat to health or safety.

Other uses and disclosures of your protected health information that are not described above will be made only with your written authorization. If you provide us with such an authorization, you may revoke the authorization in writing, and this revocation will be effective for future uses and disclosures of protected health information. However, the revocation will not be effective for information that we already have used or disclosed, relying on the authorization.

V. Your Individual Rights

The following is a description of your rights with respect to your protected health information:

A. Right to Access

You have the right to look at or get copies of your protected health information in a designated record set. Generally, a "designated record set" contains medical and billing records, as well as other records that are used to make decisions about your health care benefits. However, you may not inspect or

copy psychotherapy notes or certain other information that may be contained in a designated record set.

You may request that we provide copies in a format other than photocopies. We will use the format you request unless we cannot practicably do so, if you request the information in an electronic format that is not readily producible, we will provide the information in a readable electronic format as mutually agreed upon. You must make a request in writing to obtain access to your protected health information.

To inspect and/or copy your protected health information, you may obtain a form to request access by using the contact information listed at the end of this Notice. You may also request access by sending us a letter to the address at the end of this Notice. The first request within a 12-month period will be free. If you request access to your designated record set more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. If you request an alternative format, we will charge a cost-based fee for providing your protected health information in that format. If you prefer, we will prepare a summary or an explanation of your protected health information for a fee. Contact us using the information listed at the end of this Notice for a full explanation of our fee structure.

We may deny your request to inspect and copy your protected health information in certain limited circumstances. If you are denied access to your information, you may request that the denial be reviewed. A licensed health care professional chosen by us will review your request and the denial. The person performing this review will not be the same one who denied your initial request. Under certain conditions, our denial will not be reviewable. If this event occurs, we will inform you in our denial that the decision is not reviewable.

B. Right to an Accounting

You have a right to an accounting of certain disclosures of your protected health information that are for reasons other than treatment, payment or health care operations. You should know that most disclosures of protected health information will be for purposes of payment or health care operations.

An accounting will include the date(s) of the disclosure, to whom we made the disclosure, a brief description of the information disclosed, and the purpose for the disclosure.

You may request an accounting by contacting us at the Customer Service phone number on the back of your identification card, or submitting your request in writing to the Highmark Privacy Department, 120 Fifth Avenue Place

1814, Pittsburgh, PA 15222. Your request may be for disclosures made up to 6 years before the date of your request, but in no event, for disclosures made before April 14, 2003.

The first list you request within a 12-month period will be free. If you request this list more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. Contact us using the information listed at the end of this Notice for a full explanation of our fee structure.

C. Right to Request a Restriction

You have the right to request a restriction on the protected health information we use or disclose about you for treatment, payment or health care operations. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement unless the information is needed to provide emergency treatment to you. Any agreement we may make to a request for additional restrictions must be in writing signed by a person authorized to make such an agreement on our behalf. We will not be bound unless our agreement is so memorialized in writing. We have a right to terminate this restriction, however if we do so, we must inform you of this restriction.

You may request a restriction by contacting us at the Customer Service phone number on the back of your identification card, or writing to the Highmark Privacy Department, 120 Fifth Avenue Place 1814, Pittsburgh, PA 15222. In your request tell us: (1) the information whose disclosure you want to limit; and (2) how you want to limit our use and/or disclosure of the information.

D. Right to Request Confidential Communications

If you believe that a disclosure of all or part of your protected health information may endanger you, you have the right to request that we communicate with you in confidence about your protected health information by alternative means or to an alternative location. For example, you may ask that we contact you only at your work address or via your work e-mail.

You must make your request in writing, and you must state that the information could endanger you if it is not communicated in confidence by the alternative means or to the alternative location you want. We must accommodate your request if it is reasonable, specifies the alternative means or location, and continues to permit us to collect premiums and pay claims under your health plan, including issuance of explanations of benefits to the subscriber of the health plan in which you participate.

In the event that a Confidential Communication is placed against you, then you will no longer have the ability to access any of your health and/or policy information online.

E. Right to Request Amendment

If you believe that your protected health information is incorrect or incomplete, you have the right to request that we amend your protected health information. Your request must be in writing, and it must explain why the information should be amended.

We may deny your request if we did not create the information you want amended or for certain other reasons. If we deny your request, we will provide you a written explanation. You may respond with a statement of disagreement to be appended to the information you wanted amended. If we accept your request to amend the information, we will make reasonable efforts to inform others, including people you name, of the amendment and to include the changes in any future disclosures of that information.

F. Right to a Paper Copy of this Notice

If you receive this Notice on our web site or by electronic mail (e-mail), you are entitled to receive this Notice in written form. Please contact us using the information listed at the end of this Notice to obtain this Notice in written form.

VI. Questions and Complaints

If you want more information about our privacy policies or practices or have questions or concerns, please contact us using the information listed below.

If you are concerned that we may have violated your privacy rights, or you disagree with a decision we made about access to your protected health information or in response to a request you made to amend or restrict the use or disclosure of your protected health information or to have us communicate with you in confidence by alternative means or at an alternative location, you may complain to us using the contact information listed below.

You also may submit a written complaint to the U.S. Department of Health and Human Services. We will provide you with the address to file your complaint with the U.S. Department of Health and Human Services upon request.

We support your right to protect the privacy of your protected health information. We will not retaliate in any way if you choose to file a complaint with us or with the U.S. Department of Health and Human Services.

PART II – NOTICE OF PRIVACY PRACTICES (GRAMM-LEACH–BLILEY)

Highmark is committed to protecting its members' privacy. This notice describes our policies and practices for collecting, handling and protecting personal information about our members. We will inform each group of these policies the first time the group becomes a Highmark member and will annually reaffirm our privacy policy for as long as the group remains a Highmark customer. We will continually review our privacy policy and monitor our business practices to help ensure the security of our members' personal information. Due to changing circumstances, it may become necessary to revise our privacy policy in the future. Should such a change be required, we will notify all affected customers in writing in advance of the change.

In order to administer our health benefit programs effectively, we must collect, use and disclose non-public personal financial information. Non-public personal financial information is information that identifies an individual member of a Highmark health plan. It may include the member's name, address, telephone number and Social Security number or it may relate to the member's participation in the plan, the provision of health care services or the payment for health care services. Non-public personal financial information does not include publicly available information or statistical information that does not identify individual persons.

Information we collect and maintain: We collect non-public personal financial information about our members from the following sources:

- We receive information from the members themselves, either directly or through their employers or group administrators. This information includes personal data provided on applications, surveys or other forms, such as name, address, Social Security number, date of birth, marital status, dependent information and employment information. It may also include information submitted to us in writing, in person, by telephone or electronically in connection with inquiries or complaints.

- We collect and create information about our members' transactions with Highmark, our affiliates, our agents and health care providers. Examples are: information provided on health care claims (including the name of the health care provider, a diagnosis code and the services provided), explanations of benefits/payments (including the reasons for claim decision, the amount charged by the provider and the amount we paid), payment history, utilization review, appeals and grievances.

Information we may disclose and the purpose: We do not sell any personal information about our members or former members for marketing purposes. We use and disclose the personal information we collect (as described above) only as necessary to deliver health care products and services to our members or to comply with legal requirements. Some examples are:

- We use personal information internally to manage enrollment, process claims, monitor the quality of the health services provided to our members, prevent fraud, audit our own performance or to respond to members' requests for information, products or services.
- We share personal information with our affiliated companies, health care providers, agents, other insurers, peer review organizations, auditors, attorneys or consultants who assist us in administering our programs and delivering health services to our members. Our contracts with all such service providers require them to protect the confidentiality of our members' personal information.
- We may share personal information with other insurers that cooperate with us to jointly market or administer health insurance products or services. All contracts with other insurers for this purpose require them to protect the confidentiality of our members' personal information.
- We may disclose information under order of a court of law in connection with a legal proceeding.
- We may disclose information to government agencies or accrediting organizations that monitor our compliance with applicable laws and standards.
- We may disclose information under a subpoena or summons to government agencies that investigate fraud or other violations of law.

How we protect information: We restrict access to our members' non-public personal information to those employees, agents, consultants and health care providers who need to know that information to provide health products or services. We maintain physical, electronic, and procedural safeguards that comply with state and federal regulations to guard non-public personal financial information from unauthorized access, use and disclosure.
