(1) Your group's benefit period is based on a Calendar Year which runs from January 1 to December 31.
(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays and any qualified medical expense. Prescription drug expenses are subject to a separate prescription drug TMOOP.
(3) Telemedicine Services (acute care for minor illnesses available on-demand 24/7) must be performed by a Highmark Designated Telemedicine Provider. Additional services provided by a Designated Telemedicine Provider are paid according to the benefit category that they fall under (e.g. PCP is eligible under the PCP Office Visit benefit, Behavioral Health is eligible under the Outpatient Mental Health Services benefit).
(4) Services are limited to those listed on the Highmark Preventive Schedule with Enhancements (Women's Health Preventive Schedule may apply).
(5) Benefits for Emergency Care Services rendered by an Out-of-Network Provider will be paid at the Network services level. Benefits for Hospital Services or Medical Care Services rendered by an Out-of-Network Provider to a member requiring an inpatient admission or observation immediately following receipt of Emergency Care Services will be paid at the Network services level. The member will not be responsible for any amounts billed by the Out-of-Network Provider that are in excess of the plan allowance for such services.
(6) Air Ambulance services rendered by out-of-network providers will be covered at the highest network level of benefits.
(7) After initial evaluation, Applied Behavioral Analysis will be covered as specified above. All other Covered Services for the treatment of Autism Spectrum Disorders will be covered according to the benefit category (e.g. speech therapy, diagnostic services). Treatment for Autism Spectrum Disorders does not reduce visit/day limits.
(8) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.
(9) If you receive services from an out-of-area provider or an out-of-network provider, you must contact Highmark Utilization Management prior to a planned inpatient admission, prior to receiving certain outpatient services or within 48 hours of an emergency or unplanned inpatient admission to obtain any required precertification. If precertification is not obtained and it is later determined that all or part of the services received were not medically necessary or appropriate, you will be responsible for the payment of any costs not covered by your health plan.
