Important Questions	Answers			Why This Matters:
What is the overall deductible?	**Facility**	**Professional**	**Major Medical**	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.

Are there services covered before you meet your deductible?	No.	No.	Yes. Deductible does not apply to preventive care services and outpatient mental health. Copayments and coinsurance amounts don't count toward the deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	No.	No.	You don't have to meet deductibles for specific services.

The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.

What is not included in the out–of–pocket limit?	Premiums, balance-billed charges, prescription drug expenses, and health care this plan doesn't cover. Premiums, balance-billed charges, prescription drug expenses, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.highmarkblueshield.com/find-a-doctor or call 1-800-345-3806 for a list of providers.	Yes. See www.highmarkblueshield.com/find-a-doctor or call 1-800-345-3806 for a list of providers.	Yes. See www.highmarkblueshield.com/find-a-doctor or call 1-800-345-3806 for a list of providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use a non-participating provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your participating provider might use a non-participating provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	No.	No.	You can see the specialist you choose without a referral.
